Dear Sharron,

Re: Leveson Inquiry into the Culture Practices and Ethics of the Press  
Evidence of DAC Sue Akers - 6 February 2012

During the evidence DAC Sue Akers gave yesterday at page 18, lines 15-18, she stated in respect of Operation Tuleta: -

*"So there's a smaller number of officers, the numbers of which I don't have to hand, but I think it's something in the region of -- or will be, when we've resourced it -- about 20"*

Could I please ask that an immediate correction be made to this evidence to the following effect: -

*"There are currently 8 officers working on Operation Tuleta, however we are currently seeking to double that number to around 16. This number however may grow further as the investigation develops".*

Thank you very much.

Yours sincerely
