Reputational Damage

[Report Fraud Here](#)

The BBC is funded by the public who have high expectations about how we manage those funds and the assets provided by them.

[Useful links](#)

[Other useful links](#)

The fallout

Fraud could therefore lead to the following:

- Negative press coverage
- Damage to brand (undermines perception of integrity in organisation and therefore makes audience less trusting about content)
- Undermines case for licence fee and public willingness to pay it
- Could put off potential business partners
