Criminal Justice and Immigration Bill – Clause 76 (formerly Clause 129)

Once again, thank you for taking part in today's constructive discussion. I undertook to share with you a draft amendment to the Bill which would introduce into legislation an "order-making power" for the Secretary of State, and therefore attach it to this letter.

I should be grateful for your views on this clause, bearing in mind that we need to be in a position to table any agreed amendments tomorrow evening.

I am writing in the same terms to Rebekah Wade, Murdoch MacLennan and Guy Black and I am copying this letter to Bob Satchwell.
