

Appeal Timeline

This timeline has been prepared by Linklaters on the basis of the papers relating to the appeal which were retrieved from NGN's archives following receipt of Mr Mahmood's second s.21 notice (the "Notice"). The files appear incomplete in some respects – for example, they do not contain a copy of the Claimant's first skeleton argument re permission to appeal and so the timeline is similarly incomplete in these respects.

In accordance with request (a) in the Notice, only the available skeleton arguments and witness statements have been provided. These are marked with an asterisk below.
