UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part I Digital Terrestrial Television Broadcasting (ss 1-39)/5 Restrictions on holding of licences under Part I

5 Restrictions on holding of licences under Part I

(1) [OFCOM] shall do all that they can to secure--

(a) that a person does not become or remain the holder of a licence if he is a person who is a disqualified person in relation to that licence by virtue of Part II of Schedule 2 to the 1990 Act (as amended by this Act); and

[(b) that a person does not become the holder of a licence if requirements imposed by or under Schedule 14 to the Communications Act 2003 would be contravened were he to do so; and

(c) that those requirements are not contravened in the case of a person who already holds a licence].

(2) [OFCOM] may accordingly--

(a) require any applicant for a licence to provide them with such information as they may reasonably require for the purpose of determining--

(i) whether he is such a disqualified person as is mentioned in subsection (1)(a),

(ii) whether any such requirements as are mentioned in subsection (1)(b) would preclude them from granting a licence to him, and

(iii) if so, what steps would be required to be taken by or in relation to him in order for any such requirements to be complied with;

(b) revoke the award of a licence to a body where a relevant change takes place after the award, but before the grant, of the licence;

(c) make the grant of a licence to any person conditional on the taking of any specified steps that appear to them to be required to be taken as mentioned in paragraph (a)(iii);

(d) impose conditions in any licence enabling them to require the licence holder, if a body corporate, to give to them advance notice of proposals affecting--

(i) shareholdings in the body, or

(ii) the directors of the body,

where such proposals are known to the body;

[(da) impose conditions in a licence requiring the licence holder, if a body corporate, to give OFCOM notice, after they have occurred and irrespective of whether proposals for them have fallen to be notified, of changes, transactions or events affecting--

(i) shareholdings in the body; or

(ii) the directors of the body;

(db) impose conditions in a licence enabling OFCOM to require the licence holder to provide them with such information as they may reasonably require for determining--

(i) whether the licence holder is a disqualified person in relation to that licence by virtue of Part 2 of Schedule 2 to the 1990 Act; or

(ii) whether any such requirements as are mentioned in subsection (1)(b) have been and are being complied with by or in relation to the licence holder;]

(e) impose conditions in any licence enabling them to give the licence holder directions requiring him to take, or arrange for the taking of, any specified steps appearing to them to be required to be taken in order for any such requirements as are mentioned in subsection (1)(b) to be complied with.

(3) Where [OFCOM]--

(a) revoke the award of any licence in pursuance of subsection (2)(b), or

(b) determine that any condition imposed by them in relation to any licence in pursuance of subsection (2)(c) has not been satisfied,

any provisions of this Part relating to the awarding of licences of the kind in question shall (subject to subsection (4)) have effect as if the person to whom the licence was awarded or granted had not made an application for it.

(4) Those provisions shall not so have effect if [OFCOM] decide that it would be desirable to publish a fresh notice under this Part in respect of the grant of a licence, or (as the case may be) a further licence, to provide the service in question.

(5) Every licence shall include such conditions as [OFCOM] consider necessary or expedient to ensure that where--

(a) the holder of the licence is a body, and

(b) a relevant change takes place after the grant of the licence,

[OFCOM] may revoke the licence by notice served on the holder of the licence and taking effect forthwith or on a date specified in the notice.

(6) [OFCOM] shall not serve any such notice on the licence holder unless--

(a) they have notified him of the matters [constituting their grounds for revoking the licence] and given him a reasonable opportunity of making representations to them about those matters, and

(b) in a case where the relevant change is one falling within subsection (7)--

(i) they have also given him an opportunity of complying with [the requirements imposed by or under Schedule 14 to the Communications Act 2003] within a period specified in the notification, and

(ii) the period specified in the notification has elapsed.

(7) A relevant change falls within this subsection if it consists only in one or more of the following--

(a) ...

(b) a change in the national market share (within the meaning of [Part 1 of Schedule 14 to the Communications Act 2003]) of one or more national newspapers (within the meaning of that Part of that Schedule), or

(c) a change in the local market share (within the meaning of [section 5 of the Broadcasting Act 1990]) in a particular area of one or more local newspapers (within the meaning of [Part 1 of Schedule 14 to the Communications Act 2003]).

(8) In this section "relevant change", in relation to a body to which a licence has been awarded or granted, means--

(a) any change affecting the nature or characteristics of the body,

(b) any change in the persons having control over or interests in the body, or

(c) any other change giving rise to [a disqualification under Part 2 of Schedule 2 to the 1990 Act or a contravention of a requirement imposed by or under Schedule 14 to the Communications Act 2003],

being (in any case) a change which is such that, if it fell to [OFCOM] to determine whether to award the licence to the body in the new circumstances of the case, they would be induced by the change to refrain from so awarding it.

- (a) that person indicates to [OFCOM] that he does not intend to provide the service in question, or
- (b) [OFCOM] for any other reason have reasonable grounds for believing that that person will not provide that service once the licence has come into force.

- (a) £500,000; and
- (b) 7 per cent of the amount which OFCOM estimate would have been the multiplex revenue for the first complete accounting period of the licence holder falling within the period for which the licence would have been in force.

(5C) In any other case, the maximum penalty is whichever is the greater of--

- (a) £500,000; and

(b) 7 per cent of the multiplex revenue for the last complete accounting period of the licence holder falling within the period for which the licence is in force.

12 Conditions attached to multiplex licence

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part I Digital Terrestrial Television Broadcasting (ss 1-39)/14 Multiplex revenue

14 Multiplex revenue

(1) For the purposes of [this Part] the multiplex revenue for each accounting period of [the person who is the multiplex provider in relation to any television multiplex service or any general multiplex service] shall consist of--

(a) all payments received or to be received by him or any person connected with him from a person other than a programme provider or an additional services provider--

(i) in consideration of the inclusion in that period, in any digital programme service or digital additional service broadcast by means of [the relevant multiplex], of advertisements or other programmes, or

(ii) in respect of charges made in that period for the reception of programmes included in any such digital programme service or digital additional service,

(b) all payments received or to be received by him or any person connected with him in respect of the broadcasting [by means of the multiplex service of any service which is a qualifying service or which (without being a qualifying service) is provided by the BBC],

(c) all payments received or to be received by any programme provider or any person connected with him from a person other than [the multiplex provider], an additional services provider or another programme provider--

(i) in consideration of the inclusion in that period, in any digital programme service provided by him for broadcasting by means of [the relevant multiplex], of advertisements or other programmes, or

(ii) in respect of charges made in that period for the reception of programmes included in any such digital programme service, and

(d) all payments received or to be received by any additional services provider or any person connected with him from a person other than [the multiplex provider], a programme provider or another additional services provider--

(i) in consideration of the inclusion in that period, in any digital additional service provided by him for broadcasting by means of [the relevant multiplex], of advertisements or other programmes, or

(ii) in respect of charges made in that period for the reception of programmes included in any such digital additional service.

(2) If, in connection with the inclusion of any advertisements or other programmes whose inclusion is paid for by payments falling within subsection (1)(a)(i), any payments are made to [the multiplex provider] or any connected person to meet any payments payable by [the multiplex provider] by virtue of section 13 (1), those payments shall be regarded as made in consideration of the inclusion of the programmes in question.

(3) In the case of an advertisement included as mentioned in subsection (1)(a)(i), (c)(i) or (d)(i) under arrangements made between--

(a) [the multiplex provider], a programme provider or an additional services provider or any person connected with any of them, and

(b) a person acting as an advertising agent,

the amount of any receipt by [the multiplex provider], programme provider or additional services provider or any connected person that represents a payment by the advertiser from which the advertising agent has deducted any amount by way of commission shall, except in a case falling within subsection (4), be the amount of the payment by the advertiser after the deduction of the commission.

(4) If the amount deducted by way of commission as mentioned in subsection (3) exceeds 15 per cent of the payment by the advertiser, the amount of the receipt in question shall be taken to be the amount of the payment less 15 per cent.

(5) If, in any accounting period of [the multiplex provider], a programme provider or an additional services provider or a person connected with any of them derives, in relation to any programme to be included in the relevant service, any financial benefit (whether direct or indirect) from payments made by any person other than [the multiplex provider], by way of sponsorship, for the purpose of defraying or contributing towards costs incurred or to be incurred in connection with that programme, the relevant payments shall be taken to include the amount of the financial benefit so derived by [the multiplex provider] or the connected person, as the case may be.

(6) In subsection (5)--

(a) "the relevant service" means--

(i) in relation to a programme provider or a person connected with him, any digital programme service provided as mentioned in subsection (1)(c)(i), and

(ii) in relation to an additional services provider or a person connected with him, any digital additional service provided as mentioned in subsection (1)(d)(i), and

(b) "relevant payments" means--

(i) in relation to a programme provider, the payments referred to in subsection (1)(c), and

(ii) in relation to an additional services provider, the payments referred to in subsection (1)(d).

(7) Where, in any accounting period of [the multiplex provider]--

- (a) [the multiplex provider] provides a digital programme service or digital additional service for broadcasting by means of the multiplex service,
- (b) [the multiplex provider] is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(a) being made to [the multiplex provider],
- (c) a programme provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(c) being made to the programme provider, or
- (d) an additional services provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(d) being made to the additional services provider,

[OFCOM] may, if they consider that the amount which would (apart from this subsection) be the multiplex revenue for that accounting period is less than it would have been if the digital programme service or digital additional service had been provided, or the activity engaged in, by another person at arm's length, treat the multiplex revenue as increased by the amount of the difference.

(8) Where, in any accounting period of [the multiplex provider], [the multiplex provider] or a programme provider or additional services provider receives payments falling within subsection (1)(a), (b), (c) or (d) from a person connected with him and it appears to [OFCOM] that the amount which (apart from this subsection) would be the multiplex revenue for that accounting period is less than it would have been if the arrangements between him and the connected person were such as might be expected between parties at arm's length, [OFCOM] may treat the multiplex revenue as increased by the amount of the difference.

(9) In this section--

"additional services provider", in relation to [a television multiplex service or a general multiplex service], means any person who provides any digital additional service for broadcasting by means of [that multiplex service];

["multiplex provider"--

(a) in relation to a television multiplex service for which a person holds a licence under this Part, means the licence holder; and

(b) in relation to a television multiplex service which is not licensed under this Part or a general multiplex service, means the person who provides that service;]

"programme provider", in relation to [a television multiplex service or a general multiplex service], means any person who provides a digital programme service for broadcasting by means of [that multiplex service];

["the relevant multiplex"--

(a) in relation to a multiplex provider falling within paragraph (a) of the definition of that expression, means the television multiplex service to which his licence relates; and

(b) in relation to any other multiplex provider, means the television multiplex service or general multiplex service which is provided by him;

and this section and section 15 shall have effect as if references in this section to digital programme services included references to digital sound programme services and references to digital additional services included references to digital additional services within the meaning of Part 2].

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part I Digital Terrestrial Television Broadcasting (ss 1-39)/16 Duration and renewal of multiplex licences

16 Duration and renewal of multiplex licences

(1) A multiplex licence shall (subject to the provisions of this Part and to section 42 of the 1990 Act as applied by section 17(6)) continue in force for a period of twelve years.

(2) A multiplex licence granted within six years of the commencement of this section may be renewed on one occasion in accordance with this section for a period of twelve years beginning with the date on which it would otherwise expire.

(3) An application for the renewal of a multiplex licence under subsection (2) may be made by the

licence holder not earlier than four years before the date on which it would otherwise cease to be in force and not later than [the day falling three months before] the relevant date.

(4) At any time before determining the application, [OFCOM] may--

(a) require the applicant to furnish--

(i) a technical plan which supplements that submitted by the licence holder under section 7(4)(b), and

(ii) proposals which supplement any proposals submitted by the licence holder under section 7(4)(f), and

(b) notify the applicant of requirements which must be met by that supplementary technical plan or those supplementary proposals and relate to the matters referred to in section 7(4)(b)(i) and (ii) and (f).

(5) The consent of the Secretary of State shall be required for any exercise by [OFCOM] of their powers under subsection (4) and for any decision by [OFCOM] not to exercise those powers; and in deciding whether to give his consent the Secretary of State shall have regard to any report made to him under subsection (1)(b) of section 33 and to any representations received by him on consultation under subsection (4) of that section.

(6) Where any such application is made . . . , [OFCOM] may postpone consideration of it by them for as long as they think appropriate having regard to subsection (10).

(7) Where an application for the renewal of a multiplex licence has been duly made to [OFCOM] they may refuse the application only if--

(a) it appears to them that the applicant has failed to comply with any of the conditions included in his licence,

(b) any supplementary technical plan or supplementary proposals submitted under subsection (4)(a) fail to meet requirements notified to the applicant under subsection (4)(b), or

(c) they are not satisfied that the applicant would, if his licence were renewed, provide a service which complied with the conditions to be included in the licence as renewed.

(8) Subject to subsection (9), on the grant of any such application [OFCOM] may with the consent of the Secretary of State, and shall if so required by him--

(a) specify a percentage different from that specified under section 7(1)(f) as the percentage of multiplex revenue for each accounting period of his that will be payable by the applicant in pursuance of section 13(1) during the period for which the licence is to be renewed, or

(b) specify such a percentage where none was specified under section 7(1)(f);

and [OFCOM] may specify under paragraph (a) or (b) either of the things mentioned in section 7(2)(b).

(9) Where an order under section 13(2) is in force on the relevant date, no percentage of multiplex revenue shall be payable as mentioned in subsection (8)(a) during the period for which the licence is to be renewed.

(10) Where [OFCOM] have granted a person's application under this section, they shall formally renew his licence from the date on which it would otherwise expire; and they shall not so renew his licence unless they have notified him of any percentage specified by them under subsection (8) and he has, within such period as is specified in that notification, notified them that he consents to the licence being renewed on those terms.

(11) Where a multiplex licence has been renewed under this section, the licence as renewed shall include such further conditions as appear to [OFCOM] to be appropriate for securing the implementation of any supplementary technical plan and supplementary proposals submitted under subsection (4)(a).

(12) In this section "the relevant date", in relation to a multiplex licence, means the date which [OFCOM]

determine to be that by which they would need to publish a notice under section 7(1) if they were to grant, as from the date on which that licence would expire if not renewed, a fresh licence to provide the service formerly provided under that licence.

[(12A) A determination for the purposes of subsection (12)--

- (a) must be made at least one year before the date determined; and
- (b) must be notified by OFCOM to the person who holds the licence in question.]

(13) Nothing in this section prevents the holder of a multiplex licence from applying for a new licence on one or more occasions in pursuance of a notice under section 7(1).

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part I Digital Terrestrial Television Broadcasting (ss 1-39)/17 Enforcement of multiplex licences

17 Enforcement of multiplex licences

(1) If [OFCOM] are satisfied that the holder of a multiplex licence has failed to comply with any condition of the licence or with any direction given by [OFCOM] under or by virtue of any provision of this Part, they may (subject to the following provisions of this section) serve on him--

(a) a notice requiring him to pay, within a specified period, a specified financial penalty to [OFCOM], or

(b) a notice reducing the period for which the licence is to be in force by a specified period not exceeding two years.

(2) The amount of any financial penalty imposed on any person in pursuance of subsection (1)(a) shall not exceed [the maximum penalty given by subsection (2A)].

[(2A) The maximum penalty is whichever is the greater of--

(a) £250,000; and

(b) 5 per cent of the share of multiplex revenue attributable to the licence holder for his last complete accounting period falling within the period for which his licence has been in force ("the relevant period").

(2B) In relation to a person whose first complete accounting period falling within the relevant period has not ended when the penalty is imposed, subsection (2A)(b) is to be construed as referring to 5 per cent of the amount which OFCOM estimate to be the share of multiplex revenue attributable to him for that accounting period.

(2C) Section 15(1) and (3) applies for determining or estimating the share of multiplex revenue attributable to a person for the purposes of subsection (2A) or (2B) above.]

(4) [OFCOM] shall not serve on any person such a notice as is mentioned in subsection (1)(a) or (b) unless they have given him a reasonable opportunity of making representations to them about the matters complained of.

(5) Where a licence is due to expire on a particular date by virtue of a notice served on any person under subsection (1)(b), [OFCOM] may, on the application of that person, revoke that notice by a further notice served on him at any time before that date, if they are satisfied that, since the date of the earlier notice, his conduct in relation to the operation of the licensed service has been such as to justify the revocation of that notice.

(6) Section 42 of the 1990 Act (power to revoke Channel 3 or 5 licence) shall have effect in relation to a multiplex licence as it has effect in relation to a Channel 3 licence, but as if the reference in subsection (1) (a) of that section to Part I of the 1990 Act were a reference to this Part.

23 Enforcement of digital programme licences

(1) If [OFCOM] are satisfied that the holder of a digital programme licence has failed to comply with any condition of the licence or with any direction given by [OFCOM] under or by virtue of any provision of this Part, they may (subject to the following provisions of this section) serve on him--

- (a) a notice requiring him to pay, within a specified period, a specified financial penalty to [OFCOM], or
- (b) a notice providing that the licence is to expire on a specified date, which shall be at least one year from the date of service of the notice.
- (2) The amount of any financial penalty imposed on any person in pursuance of subsection (1)(a) shall not exceed [the maximum penalty given by subsection (2A)].
- [(2A) The maximum penalty is whichever is the greater of--
- (a) £250,000; and
- (b) 5 per cent of the aggregate amount of the shares of multiplex revenue attributable to him in relation to television multiplex services and general multiplex services in respect of relevant accounting periods.]
- (4) In [subsection (2A)] "relevant accounting period", in relation to a [television multiplex service or general multiplex service, means the last accounting period of the multiplex provider].
- (5) Where, in the case of any [television multiplex service or general multiplex service, the first accounting period of the multiplex provider] throughout which the holder of the digital programme licence provides a digital programme service for broadcasting by means of the multiplex service ("the first period") has [not ended when the penalty is imposed, then for the purposes of this section] the share of multiplex revenue attributable to the holder of the digital programme licence in relation to that multiplex service for the relevant accounting period shall be taken to be the amount which [OFCOM] estimate to be the share of multiplex revenue attributable to him for the first period.
- [(5A) In subsections (4) and (5) "multiplex provider" has the same meaning as in section 14.]
- [(5B) Section 15(2) and (3) applies for determining or estimating the share of multiplex revenue attributable to a person for the purposes of subsection (2A) or (5) above.]
- (6) [OFCOM] shall not serve on any person such a notice as is mentioned in subsection (1)(a) or (b) unless they have given him a reasonable opportunity of making representations to them about the matters complained of.
- (7) Where a licence is due to expire on a particular date by virtue of a notice served on any person under subsection (1)(b), [OFCOM] may, on the application of that person, revoke that notice by a further notice served on him at any time before that date, if they are satisfied that, since the date of the earlier notice, his conduct in relation to the operation of the licensed service has been such as to justify the revocation of that notice.
- (8) Subject to subsection (9), section 40(1) to (4) (power to direct licensee to broadcast correction or [statement of findings] or not to repeat programme) and section 42 (power to revoke Channel 3 or 5 licence) of the 1990 Act shall apply in relation to a digital programme licence as they apply in relation to a Channel 3 licence.
- (9) In its application in relation to a digital programme licence, section 42 of the 1990 Act shall have effect--
- (a) with the substitution for the reference in subsection (1)(a) to Part I of that Act of a reference to this Part, and
- (b) with the omission of subsection (4) and of the reference to that subsection in subsection (6).
- (10) It is hereby declared that any exercise by [OFCOM] of their powers under subsection (1) in respect of any failure to comply with any condition of a digital programme licence shall not preclude the exercise by them of their powers under section 40 of the 1990 Act in respect of that failure.

(b) 5 per cent of the aggregate amount of the shares of multiplex revenue attributable to him in relation to television multiplex services and general multiplex services in respect of relevant accounting periods.]

(4) In [subsection (2A)] "relevant accounting period", in relation to a [television multiplex service or general multiplex service, means the last accounting period of the multiplex provider].

(5) Where, in the case of any [television multiplex service or general multiplex service, the first accounting period of the multiplex provider] throughout which the holder of the digital additional services licence provides a digital additional service for broadcasting by means of the multiplex service ("the first period") has [not ended when the penalty is imposed, then for the purposes of this section] the share of multiplex revenue attributable to the holder of the digital additional services licence in relation to that multiplex service for the relevant accounting period shall be taken to be the amount which [OFCOM] estimate to be the share of multiplex revenue attributable to him for the first period.

[(5A) In subsections (4) and (5) "multiplex provider" has the same meaning as in section 14.]

[(5B) Section 15(2) and (3) applies for determining or estimating the share of multiplex revenue attributable to a person for the purposes of subsection (2A) or (5) above.]

(6) [OFCOM] shall not serve on any person such a notice as is mentioned in subsection (1)(a) or (b) unless they have given him a reasonable opportunity of making representations to them about the matters complained of.

(7) Where a licence is due to expire on a particular date by virtue of a notice served on any person under subsection (1)(b), [OFCOM] may, on the application of that person, revoke that notice by a further notice served on him at any time before that date, if they are satisfied that, since the date of the earlier notice, his conduct in relation to the operation of the licensed service has been such as to justify the revocation of that notice.

(8) Subject to subsection (9), sections 40(1) to (4) and section 42 of the 1990 Act shall apply in relation to a digital additional services licence as they apply in relation to a Channel 3 licence.

(9) In its application in relation to a digital additional services licence, section 42 of the 1990 Act shall

have effect--

(a) with the substitution for the reference in subsection (1)(a) to Part I of that Act of a reference to this Part, and

(b) with the omission of subsection (4) and of the reference to that subsection in subsection (6).

(10) It is hereby declared that any exercise by [OFCOM] of their powers under subsection (1) in respect of any failure to comply with any condition of a digital additional services licence shall not preclude the exercise by them of their powers under section 40 of the 1990 Act in respect of that failure.

(2) [OFCOM] may accordingly--

(a) require any applicant for a licence to provide them with such information as they may reasonably require for the purpose of determining--

(i) whether he is such a disqualified person as is mentioned in subsection (1)(a),

(ii) whether any such requirements as are mentioned in subsection (1)(b) would preclude them from granting a licence to him, and

(iii) if so, what steps would be required to be taken by or in relation to him in order for any such requirements to be complied with;

(b) revoke the award of a licence to a body where a relevant change takes place after the award, but before the grant, of the licence;

(c) make the grant of a licence to any person conditional on the taking of any specified steps that appear to them to be required to be taken as mentioned in paragraph (a)(iii);

(d) impose conditions in any licence enabling them to require the licence holder, if a body corporate, to give to them advance notice of proposals affecting--

(i) shareholdings in the body, or

(ii) the directors of the body,

where such proposals are known to the body;

[(da) impose conditions in a licence requiring the licence holder, if a body corporate, to give OFCOM notice, after they have occurred and irrespective of whether proposals for them have fallen to be notified, of changes, transactions or events affecting--

(i) shareholdings in the body; or

(ii) the directors of the body;

(db) impose conditions in a licence enabling OFCOM to require the licence holder to provide them with such information as they may reasonably require for determining--

(i) whether the licence holder is a disqualified person in relation to that licence by virtue of Part 2 of Schedule 2 to the 1990 Act; or

(ii) whether any such requirements as are mentioned in subsection (1)(b) have been and are being complied with by or in relation to the licence holder;]

(e) impose conditions in any licence enabling them to give the licence holder directions requiring him to take, or arrange for the taking of, any specified steps appearing to them to be required to be taken in order for any such requirements as are mentioned in subsection (1)(b) to be complied with.

(3) Where [OFCOM]--

(a) revoke the award of any licence in pursuance of subsection (2)(b), or

(b) determine that any condition imposed by them in relation to any licence in pursuance of subsection (2)(c) has not been satisfied,

any provisions of this Part relating to the awarding of licences of the kind in question shall (subject to subsection (4)) have effect as if the person to whom the licence was awarded or granted had not made an application for it.

(4) Those provisions shall not so have effect if [OFCOM] decide that it would be desirable to publish a fresh notice under this Part in respect of the grant of a licence, or (as the case may be) a further licence, to provide the service in question.

(5) Every licence shall include such conditions as [OFCOM] consider necessary or expedient to ensure that where--

(a) the holder of the licence is a body, and

(b) a relevant change takes place after the grant of the licence,

[OFCOM] may revoke the licence by notice served on the holder of the licence and taking effect forthwith or on a date specified in the notice.

(6) [OFCOM] shall not serve any such notice on the licence holder unless--

(a) [OFCOM] have notified him of the matters [constituting their grounds for revoking the licence] and given him a reasonable opportunity of making representations to them about those matters, and

(b) in a case where the relevant change is one falling within subsection (7)--

(i) they have also given him an opportunity of complying with [the requirements imposed by or under Schedule 14 to the Communications Act 2003] within a period specified in the notification, and

(ii) the period specified in the notification has elapsed.

(7) A relevant change falls within this subsection if it consists only in one or more of the following--

(a) ...

(b) a change in the national market share (within the meaning of [Part 1 of Schedule 14 to the Communications Act 2003]) of one or more national newspapers (within the meaning of that Part of that Schedule), or

(c) a change in the local market share (within the meaning of [section 5 of the Broadcasting Act 1990]) in a particular area of one or more local newspapers (within the meaning of [Part 1 of Schedule 14 to the Communications Act 2003]).

(8) In this section "relevant change", in relation to a body to which a licence has been awarded or granted, means--

- (a) any change affecting the nature or characteristics of the body,
- (b) any change in the persons having control over or interests in the body, or
- (c) any other change giving rise to [a disqualification under Part 2 of Schedule 2 to the 1990 Act or a contravention of a requirement imposed by or under Schedule 14 to the Communications Act 2003],

being (in any case) a change which is such that, if it fell to [OFCOM] to determine whether to award the licence to the body in the new circumstances of the case, they would be induced by the change to refrain from so awarding it.

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part II Digital Terrestrial Sound Broadcasting (ss 40-72)/48 Reservation of capacity for independent national broadcasters

48 Reservation of capacity for independent national broadcasters

[(1A) OFCOM must ensure that the conditions included in national radio multiplex licences (taken together) secure that an amount of digital capacity on the multiplex frequencies is reserved for every independent national broadcaster for the broadcasting of a simulcast radio service provided by that broadcaster.

(1B) Where the conditions of a licence for a national radio multiplex service reserve capacity on the frequency made available for that service for the broadcasting of a simulcast radio service provided by an independent national broadcaster, those conditions must also include the condition specified in subsection (1C).

(1C) That condition is the condition that OFCOM consider appropriate for securing that, in consideration of the making by the independent national broadcaster of the payments which--

- (a) are agreed from time to time between him and the licence holder, or
- (b) in default of agreement, are determined under this section,

the licence holder uses, for the broadcasting of a simulcast radio service provided by that broadcaster, such of the reserved digital capacity as may be requested, from time to time, by that broadcaster.

(1D) Where conditions are included under this section in a national radio multiplex licence reserving capacity for an independent national broadcaster, OFCOM may include conditions relating to the broadcasting of the simulcast radio service in the licence for the national service provided by that broadcaster.]

(4) Where the holder of a national radio multiplex licence and an independent national broadcaster fail to agree as to the payments to be made under a condition included in the licence in accordance with [subsection (1C)], either of them may refer the matter to [OFCOM] for their determination.

(5) Before making a determination under subsection (4), [OFCOM] shall give the licence holder and the independent national broadcaster an opportunity of making representations to [OFCOM] about the matter.

(6) In making any determination under subsection (4), [OFCOM] shall have regard to--

- (a) the expenses incurred, or likely to be incurred, by the licence holder in providing the national radio

multiplex service and in broadcasting the simulcast radio service in question, and

(b) the terms on which persons providing national radio multiplex services contract with persons providing national digital sound programme services for the broadcasting of those services.

[(7) In this section "the multiplex frequencies" means the frequencies made available for the purposes of licensed national radio multiplex services.]

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part II Digital Terrestrial Sound Broadcasting (ss 40-72)/49 Duty of [OFCOM] to reserve digital capacity for certain purposes of BBC

49 Duty of [OFCOM] to reserve digital capacity for certain purposes of BBC

(1) In exercising their powers to grant local radio multiplex licences, [OFCOM] shall reserve to the BBC such digital capacity as [OFCOM] consider appropriate in all the circumstances with a view to enabling every BBC local radio service and every BBC radio service for Wales, Scotland or Northern Ireland to be received in digital form within a coverage area which, so far as reasonably practicable, corresponds with the coverage area for that service as provided otherwise than in digital form.

(2) The circumstances to which [OFCOM] may have regard in performing their duty under subsection (1) include the likely demand for digital capacity by persons providing or proposing to provide local digital sound programme services.

(3) Where [OFCOM] propose to grant a licence to provide a local radio multiplex service, they shall notify the BBC of [OFCOM's] proposals for reserving to the BBC digital capacity on the frequency in respect of which the licence is to be granted in respect of the area or locality in which it is to be granted.

(4) [If the BBC do not give their consent to the proposals within such period as OFCOM may specify in their notice under subsection (3), OFCOM shall] determine--

- (a) whether any digital capacity is to be reserved to the BBC on the grant of the licence, and
- (b) if so, the amount of that capacity.

(5) Before making any determination under subsection (4), [OFCOM shall give the BBC an opportunity of making representations to them about their proposals].

(6) Where a local radio multiplex licence is granted in respect of a frequency and area or locality in respect of which digital capacity is reserved in pursuance of this section, the licence shall include such conditions as appear to [OFCOM] to be appropriate for the purpose of securing that, in consideration of the making by the BBC of such payments as are from time to time agreed between the holder of the licence and the BBC [or (in default of agreement) determined under this section], the holder of the licence uses such digital capacity as may from time to time be requested by the BBC (not exceeding the amount so reserved) for the broadcasting of services provided by the BBC.

[(7) Where the holder of the licence and the BBC fail to agree--

- (a) the payments to be made under a condition included in the licence in accordance with subsection (6), or
- (b) the other terms that are to apply in relation to the use of digital capacity in accordance with such a condition,

either of them may refer the matter to OFCOM for determination.

(8) Before making a determination under subsection (7), OFCOM must give the licence holder and the BBC an opportunity of making representations to them about the matter.

(9) In making any determination under subsection (7), OFCOM shall have regard to--

- (a) the expenses incurred, or likely to be incurred, by the licence holder in providing the local radio

multiplex service in question, and

(b) the terms on which persons providing local radio multiplex services contract with persons providing [television licensable content services or] local digital additional services for the broadcasting of those services.]

(3) Where this subsection applies--

- (a) [OFCOM] shall serve on the person to whom the licence has been granted a notice revoking the licence as from the time the notice is served on him, and
- (b) section 47 or 51 shall (subject to subsection (4)) have effect as if he had not made an application for the licence.

(4) Section 47 or 51 shall not have effect as mentioned in subsection (3) if [OFCOM] decide that it would be desirable to publish a fresh notice under section 46(1) or 50(2) in respect of the grant of the licence.

(5) Where [OFCOM] revoke a radio multiplex licence under this section or under any other provision of this Part, they shall serve on the licence holder a notice requiring him to pay to them, within a specified period, a specified financial penalty not exceeding--

- (a) in the case of a local radio multiplex licence, [£250,000], or
- (b) in the case of a national radio multiplex licence, whichever is the greater of--
 - (i) [£250,000], or
 - (ii) the prescribed amount.

(6) In subsection (5)(b)(ii) "the prescribed amount" means--

- (a) where--
 - (i) the licence is revoked under this section, or

(ii) the first complete accounting period of the licence holder falling within the period for which the licence is in force has not yet ended,

7 per cent of the amount which [OFCOM] estimate would have been the multiplex revenue for that accounting period (as determined in accordance with section 56), and

(b) in any other case, 7 per cent of the multiplex revenue for the last complete accounting period of the licence holder so falling (as so determined).

(7) Any financial penalty payable by any body by virtue of subsection (5) shall, in addition to being recoverable from that body as provided by section 71(4), be recoverable by [OFCOM] as a debt due to them from any person who controls that body.

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part II Digital Terrestrial Sound Broadcasting (ss 40-72)/54 Conditions attached to national or local radio multiplex licence

54 Conditions attached to national or local radio multiplex licence

(1) A radio multiplex licence shall include such conditions as appear to [OFCOM] to be appropriate for securing--

(a) that the licensed service is established by the licence holder in accordance with the timetable and other proposals indicated in the technical plan submitted under section 46(4)(b) or 50(4)(b),

(b) the implementation of any proposals submitted by the licence holder under section 46(4)(c) to (f) or 50(4)(c) to (e),

(c) that all digital sound programme services broadcast under the licence are provided--

(i) in the case of a national radio multiplex licence, by the holder of a national digital sound programme licence under section 60, and

(ii) in the case of a local radio multiplex licence, by the BBC or the holder of a local digital sound programme licence under that section,

[(ca) that all television licensable content services broadcast under the licence are provided by the holder of a licence under Part 1 of the 1990 Act to provide such a service or by an EEA broadcaster (within the meaning given by section 12(3A));]

(d) that all digital additional services broadcast under the licence are provided by the holder of a licence under section 64,

(e) that in the terms on which the holder of the licence contracts, or offers to contract, for the broadcasting of digital sound programme services[, television licensable content services] or digital additional services, he does not show undue discrimination either against or in favour of a particular person providing such a service or a class of such persons,

(f) that the holder of the licence does not, in any agreement with a person providing a digital sound programme service[, television licensable content service] or digital additional services which entitles that person to use a specified amount of digital capacity on the frequency or frequencies to which the licence relates, restrict that person's freedom to make arrangements with some other person as to the use of any of that digital capacity (except to the extent that the restriction is reasonably required for the purpose of ensuring the technical quality of the broadcasts or for the purpose of securing compliance with any other condition of the licence),

(g) that the signals carrying the radio multiplex service attain high standards in terms of technical quality and reliability throughout so much of the area or locality for which the service is provided as is for the time being reasonably practicable, and

[(h) that, while the licence is in force, at least the required percentage of the digital capacity on the frequency or frequencies on which the service is broadcast is used, or left available to be used, for the broadcasting of services falling within subsection (1A)].

[(1A) The services falling within this subsection are--

- (a) digital sound programme services;
- (b) simulcast radio services;
- (c) programme-related services; and
- (d) relevant technical services.]

(2) In [subsection (1A)]--

(a) "programme-related service" means any digital additional service consisting in the provision of services (apart from advertising) which--

- (i) are ancillary to the programmes included in one or more digital sound programme services, simulcast radio services or local or national services [(within the meaning of section 245 of the Communications Act 2003)] and are directly related to the contents of those programmes, or
- (ii) relate to the promotion or listing of such programmes, and

(b) "relevant technical service" means any technical service which relates to one or more digital sound programme services.

[(2A) In subsection (1)(h), the reference to the required percentage is a reference to such percentage equal to or more than [70 per cent] as OFCOM--

- (a) consider appropriate; and
- (b) specify in the condition.]

(3) The Secretary of State may, after consulting [OFCOM], by order amend [subsection (2A)] by substituting a different percentage for the percentage for the time being specified in [that subsection].

(4) No order under subsection (3) shall be made unless a draft of the order has been laid before and approved by a resolution of each House of Parliament.

(5) Any conditions imposed in pursuance of subsection (1)(a) or (b) may be varied by [OFCOM] with the consent of the licence holder (and section 42(3)(b) shall accordingly not apply to any such variation).

[(6) Where the licence holder applies to OFCOM for the variation of a condition which--

- (a) was imposed under subsection (1)(b), and
- (b) relates to the characteristics of digital sound programme services to be broadcast under the licence,

then (subject to subsections (6A) and (6B)) OFCOM must vary the condition in accordance with the application.

(6A) OFCOM are not to vary a national radio multiplex licence in accordance with an application under subsection (6) if it appears to them that, if the application were granted, the capacity of the digital sound programme services broadcast under the licence to appeal to a variety of tastes and interests would be unacceptably diminished.

(6B) OFCOM are to vary a local radio multiplex licence in accordance with such an application only if they are satisfied--

(a) that the variation would not unacceptably narrow the range of programmes available by way of local digital sound programme services to persons living in the area or locality for which the licensed multiplex service is provided;

(b) that the variation would be conducive to the maintenance or promotion of fair and effective competition in that area or locality; or

(c) that there is evidence that, amongst persons living in that area or locality, there is a significant demand for, or significant support for, the change that would result from the variation.]

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part II Digital Terrestrial Sound Broadcasting (ss 40-72)/56 Multiplex revenue

56 Multiplex revenue

(1) For the purposes of [this Part] the multiplex revenue for each accounting period of [the person who is the multiplex provider in relation to a national radio multiplex service] shall consist of--

(a) all payments received or to be received by him or any person connected with him from a person other than a programme provider or an additional services provider--

(i) in consideration of the inclusion in that period, in any digital sound programme service or digital additional service broadcast by means of the national radio multiplex service . . . , of advertisements or other programmes, or

(ii) in respect of charges made in that period for the reception of programmes included in any such digital sound programme service or digital additional service,

(b) all payments received or to be received by him or any person connected with him in respect of the broadcasting of any simulcast radio service by means of the national radio multiplex service,

(c) all payments received or to be received by any programme provider or any person connected with him from a person other than [the multiplex provider], an additional service provider or another programme provider--

- (i) in consideration of the inclusion in that period, in any digital sound programme service provided by him for broadcasting by means of the national radio multiplex service, of advertisements or other programmes, or
 - (ii) in respect of charges made in that period for the reception of programmes included in any such digital sound programme service, and
- (d) all payments received or to be received by any additional services provider or any person connected with him from a person other than [the multiplex provider], a programme provider or another additional services provider--
- (i) in consideration of the inclusion in that period, in any digital additional service provided by him for broadcasting by means of the national radio multiplex service, of advertisements or other programmes, or
 - (ii) in respect of charges made in that period for the reception of programmes included in any such digital additional service.
- (2) If, in connection with the inclusion of any advertisements or other programmes whose inclusion is paid for by payments falling within subsection (1)(a)(i), any payments are made to [the multiplex provider] or any person connected with him to meet any payments payable by [the multiplex provider] by virtue of section 55(1), those payments shall be regarded as made in consideration of the inclusion of the programmes in question.
- (3) In the case of an advertisement included as mentioned in subsection (1)(a)(i), (c)(i) or (d)(i) under arrangements made between--
- (a) [the multiplex provider], a programme provider or an additional services provider or any person connected with any of them, and
 - (b) a person acting as an advertising agent,
- the amount of any receipt by [the multiplex provider], programme provider or additional services provider or any connected person that represents a payment by the advertiser from which the advertising agent has deducted any amount by way of commission shall, except in a case falling within subsection (4), be the amount of the payment by the advertiser after the deduction of the commission.
- (4) If the amount deducted by way of commission as mentioned in subsection (3) exceeds 15 per cent of the payment by the advertiser, the amount of the receipt in question shall be taken to be the amount of the payment less 15 per cent.
- (5) If, in any accounting period of [the multiplex provider], a programme provider or an additional services provider or a person connected with any of them derives, in relation to any programme to be included in the relevant service, any financial benefit (whether direct or indirect) from payments made by any person other than [the multiplex provider], by way of sponsorship, for the purpose of defraying or contributing towards costs incurred or to be incurred in connection with that programme, the relevant payments shall be taken to include the amount of the financial benefit so derived by [the multiplex provider] or the connected person, as the case may be.
- (6) In subsection (5)--
- (a) "the relevant service" means--
 - (i) in relation to a programme provider or a person connected with him, any digital sound programme service provided as mentioned in subsection (1)(c)(i), and
 - (ii) in relation to an additional services provider or a person connected with him, any digital additional service provided as mentioned in subsection (1)(d)(i), and
 - (b) "relevant payments" means--

- (i) in relation to a programme provider, the payments referred to in subsection (1)(c), and
- (ii) in relation to an additional services provider, the payments referred to in subsection (1)(d).

(7) Where, in any accounting period of [the multiplex provider]--

- (a) [the multiplex provider] provides a digital sound programme service or digital additional service for broadcasting by means of the multiplex service,
- (b) [the multiplex provider] is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(a) being made to [the multiplex provider],
- (c) a programme provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(c) being made to the programme provider, or
- (d) an additional services provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(d) being made to the additional services provider,

[OFCOM] may, if they consider that the amount which would (apart from this subsection) be the multiplex revenue for that accounting period is less than it would have been if the digital sound programme service or digital additional service had been provided, or the activity engaged in, by another person at arm's length, treat the multiplex revenue as increased by the amount of the difference.

(8) Where, in any accounting period of [the multiplex provider], [the multiplex provider] or a programme provider or additional services provider receives payments falling within subsection (1)(a), (b), (c) or (d) from a person connected with him and it appears to [OFCOM] that the amount which (apart from this subsection) would be the multiplex revenue for that accounting period is less than it would have been if the arrangements between him and the connected person were such as might be expected between parties at arm's length, [OFCOM] may treat the multiplex revenue as increased by the amount of the difference.

(9) In this section--

"additional services provider", in relation to [a national radio multiplex service], means any person who provides any digital additional service for broadcasting by means of [that radio multiplex service];

["multiplex provider"--

- (a) in relation to a national radio multiplex service for which a person holds a licence under this Part, means the licence holder; and

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part II Digital Terrestrial Sound Broadcasting (ss 40-72)/58 Duration and renewal of national or local radio multiplex licences

58 Duration and renewal of national or local radio multiplex licences

(1) A radio multiplex licence shall (subject to the provisions of this Part and to section 111 of the 1990 Act as applied by section 59(8)) continue in force for a period of twelve years.

(2) A radio multiplex licence [granted within ten years] of the commencement of this section may be renewed on one occasion in accordance with this section--

[(a) in the case of a licence granted within six years of that commencement, for a period of twelve years beginning with the date on which it would otherwise expire; and

(b) in any other case, for a period of eight years beginning with that date].

(3) An application for the renewal of a radio multiplex licence under subsection (2) may be made by the licence holder not earlier than four years before the date on which it would otherwise cease to be in force and not later than [the day falling three months before] the relevant date.

(4) At any time before determining the application, [OFCOM] may--

(a) require the applicant to furnish--

(i) a technical plan which supplements that submitted by the licence holder under section 46(4)(b) or 50(4)(b), and

(ii) in the case of a national radio multiplex licence, proposals which supplement that submitted by the licence holder under section 46(4)(f), and

(b) notify the applicant of requirements which must be met by that supplementary technical plan or those supplementary proposals and relate to the matters referred to in section 46(4)(b)(i) and (ii) or 50(4)(b)(i) and (ii).

(5) ...

(6) Where any such application is made . . . , [OFCOM] may postpone consideration of it by them for as long as they think appropriate having regard to subsection (10).

(7) Where an application for the renewal of a radio multiplex licence has been duly made to [OFCOM], they may refuse the application only if--

(a) it appears to them that the applicant has failed to comply with any of the conditions included in his licence,

(b) any supplementary technical plan or supplementary proposals submitted under subsection (4)(a) fail to meet requirements notified to the applicant under subsection (4)(b), or

(c) they are not satisfied that the applicant would, if his licence were renewed, provide a service which complied with the conditions to be included in the licence as renewed.

(8) Subject to subsection (9), on the grant of any such application [OFCOM] may with the consent of the Secretary of State, and shall if so required by him--

(a) specify a percentage different from that specified under section 46(1)(h) as the percentage of multiplex revenue for each accounting period of his that will be payable by the applicant in pursuance of section 55(1) during the period for which the licence is to be renewed, or

(b) specify such a percentage where none was specified under section 46(1)(h);

and [OFCOM] may specify under paragraph (a) or (b) either of the things mentioned in section 46(2)(b).

(9) Where an order under section 55(2) is in force on the relevant date, no percentage of multiplex revenue shall be payable as mentioned in subsection (8)(a) during the period for which the licence is to be renewed.

(10) Where [OFCOM] have granted a person's application under this section, they shall formally renew his licence from the date on which it would otherwise expire; but in the case of a national multiplex licence they shall not so renew his licence unless they have notified him of any percentage specified by them under subsection (8) and he has, within such period as is specified in that notification, notified them that he consents to the licence being renewed on those terms.

(11) Where a radio multiplex licence has been renewed under this section, the licence as renewed shall include such further conditions as appear to [OFCOM] to be appropriate for securing the implementation of any supplementary technical plan and supplementary proposals submitted under subsection (4)(a).

(12) In this section "the relevant date", in relation to a radio multiplex licence, means the date which [OFCOM] determine to be that by which they would need to publish a notice under section 46(1) or 50(2) if they were to grant, as from the date on which that licence would expire if not renewed, a fresh licence to provide the service formerly provided under that licence.

[(12A) A determination for the purposes of subsection (12)--

(a) must be made at least one year before the date determined; and

(b) must be notified by OFCOM to the person who holds the licence in question.]

(13) Nothing in this section prevents the holder of a radio multiplex licence from applying for a new licence on one or more occasions in pursuance of a notice under section 46(1) or 50(2).

(7) Where [OFCOM] serve a notice on a BBC company under any provision of this section, they shall send a copy of the notice to the Secretary of State.

(8) Subject to subsection (9), section 111 of the 1990 Act (power to revoke licence granted under Chapter II of Part III of the 1990 Act) shall have effect in relation to a radio multiplex licence as it has effect in relation to a licence under Chapter II of Part III of the 1990 Act.

(10) Subject to subsections (11) and (12), section 109 (power to require scripts etc or broadcasting of correction or [statement of findings] or not to repeat programme) and section 111 (power to revoke licences) of the 1990 Act shall apply in relation to a digital sound programme licence as they apply in relation to a licence under Chapter II of Part III of the 1990 Act.

(9) Where [OFCOM] serve a notice on a BBC company under any provision of this section, they shall send a copy of the notice to the Secretary of State.

(10) Subject to subsections (11) and (12), section 109 (power to require scripts etc or broadcasting of correction or [statement of findings] or not to repeat programme) and section 111 (power to revoke licences) of the 1990 Act shall apply in relation to a digital additional services licence as they apply in relation to a licence under Chapter II of Part III of the 1990 Act.

67 Review of digital radio broadcasting

(1) For the purpose of considering for how long it would be appropriate for sound broadcasting services to continue to be provided in analogue form, the Secretary of State--

(a) shall keep under review the extent of--

(i) the provision in the United Kingdom of radio multiplex services,

(ii) the availability in the United Kingdom of digital sound programme services and the availability there in digital form of national services (within the meaning of Part III of the 1990 Act) and the sound broadcasting services of the BBC, and

(iii) the ownership or possession in the United Kingdom of equipment capable of receiving the services referred to in sub-paragraph (ii) when broadcast or transmitted in digital form,

and the likely future extent of such provision, such availability and such ownership or possession, and

(b) shall, on or before the fourth anniversary of the day on which the first national radio multiplex licence is granted under section 47, and at such time or times thereafter as he thinks fit, require [OFCOM] and the BBC to report to him on the matters referred to in paragraph (a).

(2) If [OFCOM] or the BBC are required to submit a report under subsection (1)(b), they shall submit the report within twelve months of the date of the requirement.

(3) Before making any report under this subsection (1)(b), [OFCOM] shall consult--

(a) the holders of all radio multiplex licences,

(b) the holders of digital sound programme licences who are providing digital sound programme services which are being broadcast, and

(c) such other persons providing services licensed by [OFCOM] under this Part or Part III of the 1990 Act as [OFCOM] think fit,

and [OFCOM] shall include in their report a summary of representations made to them by the persons consulted.

(4) For the purpose mentioned in subsection (1), the Secretary of State shall, on requiring reports under subsection (1)(b), consult--

(a) such persons appearing to him to represent listeners as he thinks fit, and

(b) such other persons as he thinks fit,

in connection with the matters referred to in subsection (1)(a) and also, if the Secretary of State thinks fit, as to the likely effects on listeners of any sound broadcasting service ceasing to be broadcast in analogue form.

(5) In this section "sound broadcasting service" has the same meaning as in Part III of the 1990 Act.

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part III Amendments of the Broadcasting Act 1990 (ss 73-96)/92 Renewal of licences to provide national radio services

Sound broadcasting**92 Renewal of licences to provide national radio services**

After section 103 of the 1990 Act there is inserted--

"103A Renewal of national licences

- (1) A national licence may (subject to the following provisions of this section) be renewed on one occasion for a period of eight years beginning with the date of renewal.
- (2) An application for the renewal of a national licence under subsection (1) may be made by the licence holder not earlier than three years before the date on which it would otherwise cease to be in force and not later than the relevant date.
- (3) Where any such application is made before the relevant date--
 - (a) if no simulcast radio service provided by the applicant is being broadcast in digital form when the application is made, the Authority shall postpone the consideration of the application until the relevant date or, if earlier, the date on which the broadcasting of such a service in that form begins, and
 - (b) in any other case, the Authority may postpone the consideration of the application for so long as they think appropriate having regard to subsection (8).
- (4) Where an application for the renewal of a national licence has been duly made to the Authority, they shall (subject to subsection (5)) grant the application if, but only if--
 - (a) the Authority are satisfied that the applicant would, if his licence were renewed, provide a national service which complied with the conditions included in the licence in pursuance of section 106 (whether as originally imposed or as varied under that section),
 - (b) the applicant has given notice to the Authority under section 41(2)(a) of the Broadcasting Act 1996 of his intention to provide a service for broadcasting in digital form, and
 - (c) a simulcast radio service provided by the applicant is being broadcast in digital form or the Authority are satisfied that by the relevant date the applicant has done all that it would in the circumstances be reasonable to expect him to do by that date to procure the broadcasting of such a service within such time as the Authority consider reasonable.
- (5) Section 100(4) to (6) shall apply in relation to an applicant for the renewal of a national licence as those provisions apply in relation to such an applicant as is mentioned in section 100(4), but as if any reference to the awarding of such a licence to the applicant were a reference to the renewal of the applicant's licence under this section.
- (6) On the grant of any application under this section the Authority--
 - (a) may, in a case where a simulcast radio service provided by the applicant is not yet being broadcast in digital form on the relevant date, determine a date by which the broadcasting of such a service in that form must begin;
 - (b) shall determine an amount which is to be payable to the Authority by the applicant in respect of the first complete calendar year falling within the period for which the licence is to be renewed; and
 - (c) may specify a different percentage from that specified under section 98(1)(d)(ii) as the percentage of qualifying revenue for each accounting period of his that will be payable by the applicant in pursuance of section 102(1)(c) during the period for which the licence is to be renewed.
- (7) The amount determined by the Authority under subsection (6)(b) in connection with the renewal of a licence shall be such amount as would, in their opinion, be payable to them by virtue of section 102(1)(a) if they were granting a fresh licence to provide the national service in question.

(8) Where the Authority have granted a person's application under this section they shall formally renew his licence not later than the relevant date or, if that is not reasonably practicable (whether because subsection (3)(a) precluded the consideration of the application before that date or for any other reason), as soon after that date as is reasonably practicable; and they shall not so renew his licence unless they have notified him of--

- (a) any date determined by them under subsection (6)(a),
- (b) the amount determined by them under subsection (6)(b), and
- (c) any percentage specified by them under subsection (6)(c),

and he has, within such period as is specified in that notification, notified them that he consents to the licence being renewed on those terms.

(9) Where a national licence has been renewed under this section--

(a) any conditions included in it in pursuance of section 102 shall have effect during the period for which the licence has been renewed--

(i) as if the amount determined by the Authority under subsection (6)(b) were an amount specified in a cash bid submitted by the licence holder, and

(ii) subject to any determination made under subsection (6)(c);

(b) (subject to paragraph (a)) that section shall have effect in relation to the period for which the licence has been renewed as it has effect in relation to the period for which a national licence is originally in force;

(c) where the Authority have determined a date under subsection (6)(a), they shall include in the licence as renewed a condition requiring a simulcast radio service to be broadcast in digital form throughout the period beginning with the date determined under subsection (6)(a) and ending with the date on which the licence (as renewed) is to expire; and

(d) the reference in section 111(4) to the end of the period for which a national licence is to continue in force shall, in relation to the licence, be construed as a reference to the end of the period for which it has been renewed.

(10) Subsections (6)(a) and (9)(c) do not prejudice the generality of section 48(3)(b) of the Broadcasting Act 1996 (power to vary national licence to include conditions relating to digital broadcasting).

(11) In this section--

"simulcast radio service" has the same meaning as in Part II of the Broadcasting Act 1996;

"the relevant date", in relation to a national licence, means the date which the Authority determine to be that by which they would need to publish a notice under section 98(1) if they were to grant, as from the date on which that licence would expire if not renewed, a fresh licence to provide the national service formerly provided under that licence."

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part III Amendments of the Broadcasting Act 1990 (ss 73-96)/94 Renewal of licences to provide local radio services

94 Renewal of licences to provide local radio services

(1) After section 104 of the 1990 Act there is inserted--

"104A Renewal of local licences

(1) A local licence may (subject to the following provisions of this section) be renewed on one occasion for a period of eight years beginning with the date of renewal.

(2) No application for the renewal of a local licence under subsection (1) may be made before the Authority first publish a notice pursuant to section 50(2) of the Broadcasting Act 1996 inviting applications for a licence to provide a relevant local radio multiplex service.

(3) Subject to subsection (2), an application for the renewal of a local licence under subsection (1) may be made by the licence holder not earlier than three years before the date on which it would otherwise cease to be in force and not later than the relevant date.

(4) The applicant must, in his application or at any time before the consideration of his application, nominate--

- (a) a local digital sound programme service provided or to be provided by him, and
- (b) a relevant local radio multiplex service,

but may not nominate together a local digital sound programme service and a local radio multiplex service if another local licence held by him includes a condition in pursuance of subsection (12) relating to the broadcasting of that local digital sound programme service by that local radio multiplex service.

(5) Where an application for the renewal of a local licence has been duly made to the Authority, they shall grant the application if--

- (a) they are satisfied that the applicant would, if his licence were renewed, provide a local service which complied with the conditions included in the licence in pursuance of section 106 (whether as originally imposed or as varied under that section), and
- (b) the nominated local digital sound programme service provided by the applicant is being broadcast

by means of the nominated local radio multiplex service.

(6) Where the condition specified in subsection (5)(a) is satisfied, the Authority may grant the application even though the condition specified in subsection (5)(b) is not satisfied if--

- (a) the applicant holds a licence to provide local digital sound programme services,
- (b) a licence to provide the nominated local radio multiplex service has been awarded, and
- (c) it appears to the Authority that, under a contract between the applicant and the person to whom that licence has been awarded, the applicant is obliged to provide the nominated local digital sound programme service for broadcasting by means of the nominated local radio multiplex service.

(7) The Authority may in any case postpone consideration of the application until the relevant date.

(8) If, at the relevant date, the condition specified in subsection (5)(b) is not satisfied, and any of the conditions specified in subsection (6) is not satisfied, the Authority may postpone consideration of the application for such period not exceeding twelve months as they think appropriate.

(9) Where the Authority postpone consideration of an application under this section for any period beyond the relevant date (the "postponement period"), they shall extend the period for which the licence is in force by a period equal to the postponement period; and section 86(3) shall not limit the powers of the Authority under this subsection.

(10) On the grant of any application under this section the Authority shall--

- (a) where the nominated local digital sound programme service provided by the applicant is not being broadcast by means of the nominated local radio multiplex service, determine a date by which that service must have begun to be so broadcast; and
- (b) specify a fee payable to the Authority in respect of the renewal.

(11) Where the Authority have granted a person's application under this section they shall formally renew his licence as soon afterwards as is reasonably practicable; and they shall not so renew his licence unless they have notified him of--

- (a) any date determined by them under subsection (10)(a), and
- (b) the renewal fee specified by them under subsection (10)(b),

and he has, within such period as is specified in that notification, notified them that he consents to the licence being renewed on those terms.

(12) Where the Authority renew a licence under this section they shall include in the licence as renewed a condition requiring the licence holder to do all that he can to ensure that the nominated local digital sound programme service is broadcast by means of the nominated local radio multiplex service throughout the period beginning with whichever is the later of--

- (a) the date on which the licence would expire if not renewed, and
- (b) any date determined by them under subsection (10)(a),

and ending with the date on which the licence (as renewed) is to expire.

(13) In this section--

- (a) "local digital sound programme service" has the same meaning as in Part II of the Broadcasting Act 1996;
- (b) "nominated" means nominated by the applicant under subsection (4);
- (c) "relevant date", in relation to a local licence, means the date which the Authority determine to be that by which they would need to publish a notice under section 104(1) if they were to grant, as from the

date on which that licence would expire if not renewed, a fresh licence to provide the local service formerly provided under that licence; and

(d) "relevant local radio multiplex service", in relation to a local licence, means a local radio multiplex service (within the meaning of Part II of the Broadcasting Act 1996) with a coverage area which to a significant extent includes the coverage area of the local service provided under the local licence; and for this purpose "coverage area", in relation to a service, has the meaning given by paragraph 3A of Part I of Schedule 2.

104B Special application procedure for local licences

(1) Where--

- (a) a local licence is due to expire (otherwise than by virtue of section 110),
- (b) the local service provided under the licence falls within category B, C or D of the Table in paragraph 9 of Part III of Schedule 2, and
- (c) the Authority propose to grant a further licence to provide the service in question,

the Authority may if they think fit publish a notice under subsection (2) instead of a notice under section 104(1).

(2) A notice under this subsection is a notice--

- (a) stating that the Authority propose to grant a further licence to provide a specified local service,
- (b) specifying the area or locality in the United Kingdom for which the service is to be provided,
- (c) inviting declarations of intent to apply for a licence to provide the service,
- (d) specifying the closing date for such declarations, and
- (e) specifying--
 - (i) the application fee payable on any declaration made in pursuance of the notice, and
 - (ii) a deposit of such amount as the Authority may think fit.

(3) A declaration of intent made in pursuance of a notice under subsection (2) must be in writing and accompanied by the application fee and deposit specified under subsection (2)(e)(i) and (ii).

(4) Where the Authority receive a declaration of intent in accordance with the provisions of this section from a person other than the licence holder in relation to the service in question, they shall--

- (a) publish a notice under section 104(1),
- (b) specify--
 - (i) in relation to persons who have made a declaration of intent in accordance with the provisions of this section, no further application fee, and
 - (ii) in relation to all other applicants, an application fee of the same amount as the fee referred to in subsection (2)(e)(i), and
- (c) repay the deposit referred to in subsection (2)(e)(ii) to every person--
 - (i) who has made a declaration of intent in accordance with the provisions of this section, and
 - (ii) who duly submits an application in pursuance of the notice referred to in paragraph (a).

(5) Where the Authority receive a declaration of intent in accordance with the provisions of this section from the licence holder in relation to the service in question, and no such declaration from any other person, they shall--

(a) invite the licence holder to apply for the licence in such manner as they may determine (but without requiring any further application fee), and

(b) on receiving an application duly made by him, repay to him the deposit referred to in subsection (2)(e)(ii).

(6) The Secretary of State may by order amend subsection (1) by removing any of the categories of local service for the time being specified in that subsection, or by substituting for any of such categories any one or more categories of local service set out in the Table in paragraph 9 of Part III of Schedule 2.

(7) Any order under subsection (6) shall be subject to annulment in pursuance of a resolution of either House of Parliament."

(2) In section 104 of the 1990 Act (applications for licences other than national licences), subsections (5) and (6)(a) shall cease to have effect.

UK Parliament Acts/B/BO-BT/Broadcasting Act 1996 (1996 c 55)/Part V The Broadcasting Standards Commission (ss 106-130)/111 Complaints of unfair treatment etc

111 Complaints of unfair treatment etc

(1) A fairness complaint may be made by an individual or by a body of persons, whether incorporated or not, but, subject to subsection (2), shall not be entertained by [OFCOM] unless made by the person affected or by a person authorised by him to make the complaint for him.

(2) Where the person affected is an individual who has died, a fairness complaint may be made by his personal representative or by a member of the family of the person affected, or by some other person or body closely connected with him (whether as his employer, or as a body of which he was at his death a member, or in any other way).

(3) Where the person affected is an individual who is for any reason both unable to make a complaint himself and unable to authorise another person to do so for him, a fairness complaint may be made by a member of the family of the person affected, or by some other person or body closely connected with him (whether as his employer, or as a body of which he is a member, or in any other way).

(4) [OFCOM] shall not entertain, or proceed with the consideration of, a fairness complaint if it appears to them that the complaint relates to the broadcasting of the relevant programme, or to its inclusion in a licensed service, on an occasion more than five years after the death of the person affected, unless it appears to them that in the particular circumstances it is appropriate to do so.

(5) [OFCOM] may refuse to entertain a fairness complaint if it appears to them not to have been made within a reasonable time after the last occasion on which the relevant programme was broadcast or, as the case may be, included in a licensed service.

(6) Where, in the case of a fairness complaint, the relevant programme was broadcast or included in a licensed service after the death of the person affected, subsection (5) shall apply as if at the end there were added "within five years (or such longer period as may be allowed by [OFCOM] in the particular case under subsection (4)) after the death of the person affected".

(7) [OFCOM] may refuse to entertain--

(a) a fairness complaint which is a complaint of unjust or unfair treatment if the person named as the person affected was not himself the subject of the treatment complained of and it appears to [OFCOM] that he did not have a sufficiently direct interest in the subject-matter of that treatment to justify the making of a complaint with him as the person affected, or

(b) a complaint made under subsection (2) or (3) by a person other than the person affected or a person authorised by him, if it appears to [OFCOM] that the complainant's connection with the person affected is not sufficiently close to justify the making of the complaint by him.

119 Publication of [OFCOM's] findings

[(1) Where OFCOM have considered and adjudicated upon a fairness complaint, they may direct the relevant person to publish the matters mentioned in subsection (3) in such manner, and within such period, as may be specified in the directions.]

(3) Those matters are--

- (a) a summary of the complaint;
- (b) [OFCOM's] findings on the complaint or a summary of them;
- (c)

(4) References in [subsection (1)] to the publication of any matter are references to the publication of that matter without its being accompanied by any observations made by a person other than [OFCOM] and relating to the complaint.

(5) The form and content of any such summary as is mentioned in subsection [(3)(a) or (b)] shall be such as may be approved by [OFCOM].

(6) A [relevant person] shall comply with any directions given to [him] under this section.

[(7) The regulatory regime for every licensed service includes the conditions that OFCOM consider appropriate for securing that the licence holder complies with every direction given to him under this section.

(7A) Section 263 of the Communications Act 2003 applies in relation to conditions included by virtue of subsection (7) in the regulatory regime for a licensed service as it applies in relation to conditions which are so included by virtue of a provision of Chapter 4 of Part 3 of that Act.

(7B) It is hereby declared that, where--

- (a) OFCOM exercise their powers under this Part to adjudicate upon a fairness complaint or to give a direction under subsection (1), and
- (b) it appears to them that the matters to which the complaint in question relates consist in or include a contravention of the conditions of the licence for a licensed service,

the exercise by OFCOM of their powers under this Part is not to preclude the exercise by them of their powers under any other enactment in respect of the contravention.

(7C) Where OFCOM are proposing to exercise any of their powers in respect of a contravention of a licence condition in a case in which the contravention relates to matters that have been the subject-matter of a fairness complaint--

- (a) OFCOM may have regard, in the exercise of those powers, to any matters considered or steps taken by them for the purpose of adjudicating upon that complaint and to any direction given by them under this section; but
- (b) steps taken for the purposes of this Part do not satisfy a requirement to give the licence holder in relation to whom those powers are to be exercised a reasonable opportunity, before they are exercised, of making representations to OFCOM.]

(8) [OFCOM] shall publish, monthly or at such other intervals as they think fit and in such manner as they think fit, reports each containing, as regards every fairness complaint . . . which falls within this subsection and has been dealt with by them in the period covered by the report--

- (a) a summary of the complaint and the action taken by them on it,
- (b) where they have adjudicated on it, a summary of--
 - (i) their findings,
 - (ii) any direction given under subsection (1), or other action taken by them, in relation to the complaint, and
- (c) where a direction has been given under subsection (1) in relation to the complaint, a summary of any action taken by a broadcasting body . . . or the holder of a licence to provide a licensed service in pursuance of the direction.

(9) A fairness complaint . . . made to [OFCOM] falls within subsection (8) unless it is one which under section 111(1), (4) or (5) . . . or 114(2) they have refused to entertain.

(10) [OFCOM] may, if they think fit, omit from any summary which is included in a report under subsection (8) and relates to a fairness complaint any information which could lead to the disclosure of the identity of any person connected with the complaint in question other than [a relevant person].

(11) The references in subsections (3)(b) and (8)(b) to [OFCOM's] findings on a complaint shall be construed, in relation to a fairness complaint which has been considered by them in two or more parts, as references to their findings on each part of the complaint.

[(11A) In this section "relevant person" means--

(4) An obligation imposed on any person by virtue of sub-paragraph (1)(g) shall be enforceable by the bringing, by any person with or in favour of whom the agreement or instrument is to be entered into or executed, of civil proceedings for an injunction or for interdict or for other appropriate relief.

(5) In this paragraph--

- (a) references, in relation to a transfer scheme, to a transferee include references to any person in whose favour any interest or right is created in accordance with the scheme, and
- (b) the reference, in relation to such a scheme, to a third party is a reference to a person other than--
 - (i) the BBC, or
 - (ii) any person who (apart from any provision made by virtue of sub-paragraph (1)(e) or (2)) is a transferee.

(6) Sub-paragraphs (2) and (3) shall be without prejudice to the generality of paragraph 4(1).

Property to which a scheme may relate

3

(1) The property, rights and liabilities that shall be capable of being transferred in accordance with a transfer scheme shall include--

- (a) property, rights and liabilities that would not otherwise be capable of being transferred or assigned

by the BBC,

- (b) rights and liabilities of the BBC under any agreement or arrangement for the payment of pensions, allowances and gratuities,
- (c) property acquired at a time after the making of the scheme and before it comes into force, and rights and liabilities which arise or may arise in respect of anything occurring after the making of the scheme,
- (d) property situated anywhere in the United Kingdom or elsewhere and rights and liabilities under the law of any part of the United Kingdom or of any country or territory outside the United Kingdom, and
- (e) rights and liabilities under enactments.

(2) The transfers authorised by sub-paragraph (1)(a), and the interests and rights that may be created in accordance with a transfer scheme, include transfers, interests and rights which are to take effect as if there were--

- (a) no such requirement to obtain any person's consent or concurrence,
- (b) no such liability in respect of a contravention of any other requirement, and
- (c) no such interference with any interest or right,

as there would be, in the case of any transaction apart from this Act, by reason of provisions having effect (whether under any enactment or agreement or otherwise) in relation to the terms on which the BBC are entitled or subject to any property, right or liability.

(3) Where apart from this sub-paragraph any person would have an entitlement, in consequence of anything done or likely to be done by or under this Act to terminate, modify, acquire or claim an interest or right which is vested in the BBC at the passing of this Act or acquired by the BBC after that time, or to treat any such interest or right as modified or terminated, then--

- (a) for the purposes of the transfer of the interest or right in accordance with a transfer scheme, that entitlement shall not be enforceable in relation to that interest or right until after its transfer in accordance with such a scheme, and
- (b) without prejudice to the preceding provisions of this paragraph or to paragraph 4(2)(a), that entitlement shall be enforceable in relation to the interest or right after its transfer only in so far as the scheme contains provision for it to be transferred subject to the provisions conferring that entitlement.

(4) Subject to sub-paragraphs (5) and (6), nothing in sub-paragraph (1) or (2) shall enable--

- (a) any agreement or instrument entered into or executed in pursuance of an obligation imposed by virtue of paragraph 2(1)(g), or
- (b) anything done under any such agreement,

to give effect to any transfer, or to create any interest or right, which could not apart from this paragraph have been made by or under that agreement or instrument.

(5) A transfer scheme may provide for--

- (a) the transfers to which effect is to be given by or under any agreement or instrument entered into or executed in accordance with the scheme, or
- (b) the interests or rights that are to be created by or under any such agreement or instrument,

to include, to such extent as may be specified in the scheme, any such transfer, interest or right as is mentioned in sub-paragraph (2).

(6) A transfer scheme may provide that sub-paragraph (3) shall apply in relation to the provisions of any agreement or instrument which is to be entered into or executed in accordance with the scheme, and in

relation to any proposal for such an agreement or for the execution of such an instrument, as if the reference in sub-paragraph (3)(b) to provision contained in the scheme included a reference to provision contained, in accordance with the scheme, in the agreement or instrument.

Supplemental provisions of schemes

4

(1) A transfer scheme may contain supplemental, incidental, consequential and transitional provision for the purposes of, or in connection with, any transfer of property, rights or liabilities for which the scheme provides or in connection with any other provisions contained in the scheme; and any such provision may include different provision for different cases or different purposes.

(2) A transfer scheme may, in relation to transfers in accordance with the scheme, make provision, either generally or for such purposes as may be specified in the scheme--

(a) for the transferee to be treated as the same person in law as the BBC,

(b) for agreements made, transactions effected or other things done by or in relation to the BBC to be treated, so far as may be necessary for the purposes of or in connection with the transfers, as made, effected or done by or in relation to the transferee,

(c) for references in any agreement (whether or not in writing) or in any deed, bond, instrument or other document to, or to any member or officer of, the BBC to have effect, so far as may be necessary for the purposes of or in connection with any of the transfers, with such modifications as are specified in the scheme,

(d) for proceedings commenced by or against the BBC to be continued by or against the transferee, and

(e) for any such disputes as to the effect of the scheme as arise between different transferees, or between any transferee on the one hand and the BBC on the other, to be referred to such arbitration as may be specified in or determined under the scheme.

(3) Where any person is entitled, in consequence of any transfer made in accordance with a transfer scheme or in pursuance of any provision made under this paragraph, to possession of a document relating in part to the title to, or to the management of, any land or other property in England and Wales or Northern Ireland--

(a) the scheme may contain provision for treating that person as having given another person an acknowledgment in writing of the right of that other person to production of the document and to delivery of copies of the document, and

(b) section 64 of the Law of Property Act 1925 (production and safe custody of documents) or section 9 of the Conveyancing Act 1881 (the corresponding provision for Northern Ireland) shall have effect accordingly, and on the basis that the acknowledgment did not contain any such expression of contrary intention as is mentioned in that section.

(4) Where any person is entitled, in consequence of any transfer made in accordance with a transfer scheme or in pursuance of any provision made under this paragraph, to possession of a document relating in part to the title to, or to the management of, any land or other property in Scotland transferred in accordance with a transfer scheme, subsections (1) and (2) of section 16 of the Land Registration (Scotland) 1979 (omission of certain clauses in deeds) shall have effect in relation to the transfer as if the transfer had been effected by deed and as if from each of those subsections the words "unless specially qualified" were omitted.

(5) In this paragraph--

(a) references to a transfer include references to the creation in any person's favour of any interest or right, and references to a transferee shall be construed accordingly, and

(b) references to a person who is entitled, in consequence of any transfer, to possession of a

document include references to the BBC in a case where the BBC are entitled to retain possession of any document following any transfer.

(6) Sub-paragraphs (2) to (4) shall be without prejudice to the generality of sub-paragraph (1).

Certificate of Secretary of State as to vesting of property etc

5

A certificate issued by the Secretary of State to the effect that any property, right or liability of the BBC vested at a particular time in accordance with a transfer scheme in a person specified in the certificate shall be conclusive evidence of the matters stated in the certificate.

Duties in relation to foreign property etc

6

(1) It shall be the duty of the BBC and of any person to whom any foreign property, right or liability is transferred to take all such steps as may be requisite to secure that the vesting in the transferee, in accordance with the scheme, of the foreign property, right or liability is effective under the relevant foreign law.

(2) Until the vesting in the transferee in accordance with the scheme of any foreign property, right or liability is effective under the relevant foreign law, it shall be the duty of the BBC to hold that property or right for the benefit of, or to discharge that liability on behalf of, the transferee.

(3) Nothing in sub-paragraphs (1) and (2) shall be taken as prejudicing the effect under the law of any part of the United Kingdom of the vesting in the transferee in accordance with the scheme of any foreign property, right or liability.

(4) The BBC shall have all such powers as may be requisite for the performance of their duties under this paragraph, but it shall be the duty of a person to whom a transfer is made in accordance with a transfer scheme to act on behalf of the BBC (so far as possible) in performing the duties imposed on them by this paragraph.

(5) Where--

(a) any foreign property, rights or liabilities are acquired or incurred by the BBC in respect of any other property, rights or liabilities, and

(b) by virtue of this paragraph the BBC hold the other property or rights for the benefit of another person or discharge the liability on behalf of another person,

the property, rights or liabilities acquired or incurred are immediately to become property, rights or liabilities of that other person; and the preceding provisions of this paragraph shall have effect accordingly in relation to the property, rights or liabilities acquired or incurred.

(6) References in this paragraph to any foreign property, right or liability are references to any property, right or liability as respects which any issue arising in any proceedings would have to be determined (in accordance with the rules of private international law) by reference to the law of a country or territory outside the United Kingdom.

(7) Any expenses incurred by the BBC under this paragraph shall be met by the person to whom the transfer in question is made.

(8) Any obligation imposed under this paragraph shall be enforceable as if contained in a contract between the BBC and the person to whom the transfer in question is made.

Modification of scheme by agreement

7

(1) This paragraph applies where any person to whom anything has been transferred in accordance with a transfer scheme agrees in writing with the BBC or another person to whom anything has been transferred in accordance with that or any other transfer scheme that, for the purpose of modifying the effect of the scheme or, as the case may be, of modifying the effect of either or both of the schemes--

- (a) any of the property, rights or liabilities transferred in accordance with the scheme or either of them, and
- (b) any or all of the property, rights or liabilities acquired or incurred since the transfer in respect of the transferred property, rights or liabilities,

should be transferred from one to the other as from a date appointed by the agreement.

(2) If--

- (a) the agreement is entered into within the period of twelve months after the time when a transfer in accordance with a transfer scheme of property, rights or liabilities to any of its parties comes into force, and
- (b) the Secretary of State has given his approval to the transfer for which the agreement provides and to its terms and conditions,

then the transfer for which the agreement provides shall take effect on the date appointed by the agreement in the like manner as a transfer for which provision is made by a transfer scheme.

(3) Subject to the approval of the Secretary of State and to sub-paragraph (4), the provisions that may be contained in a modification agreement shall include any such provision in relation to any transfer for which it provides as may be contained, in relation to any transfer for which a transfer scheme provides, in that scheme.

(4) Nothing in any modification agreement shall provide for any interests or rights to be created, as opposed to transferred, except as between persons who are parties to the agreement.

(5) Before--

- (a) refusing his approval for the purposes of this paragraph, or
- (b) giving his approval for those purposes in a case where the BBC are not a party to the proposed agreement,

the Secretary of State shall consult the BBC.

(6) In this paragraph references to a transfer in accordance with a transfer scheme include references to the creation of any interest, right or liability in accordance with such a scheme.

(7) In this paragraph and paragraphs 8 and 9 "modification agreement" means any agreement providing for a transfer which is to take effect in accordance with sub-paragraph (2).

Compensation

8

(1) Where, in consequence of any provisions included in a transfer scheme for the purposes of any such division as is mentioned in paragraph 2(1), the interests, rights or liabilities of a third party are modified as mentioned in sub-paragraph (2), the third party shall be entitled to such compensation as may be just in respect of--

- (a) any diminution attributable to that modification in the value of any of his interests or rights, or

- (b) any increase attributable to that modification in the burden of his liabilities.
- (2) The modifications mentioned in sub-paragraph (1) are modifications by virtue of which--
- (a) an interest of the third party in any property is transformed into, or replaced by--
- (i) an interest in only part of that property, or
- (ii) separate interests in different parts of that property,
- (b) a right of the third party against the BBC is transformed into, or replaced by, two or more rights which do not include a right which, on its own, is equivalent (disregarding the person against whom it is enforceable) to the right against the BBC, or
- (c) a liability of the third party to the BBC is transformed into, or replaced by, two or more separate liabilities at least one of which is a liability enforceable by a person other than the BBC.
- (3) Where--
- (a) a third party would, apart from any provisions of a transfer scheme or paragraph 3(3), have become entitled to, or to exercise, any interest or right arising or exercisable in respect of the transfer or creation in accordance with such a scheme of any property, rights or liabilities, and
- (b) the provisions of that scheme or of paragraph 3(3) have the effect of preventing that person's entitlement to, or to exercise, that interest or right from arising on any occasion in respect of anything mentioned in paragraph (a), and
- (c) provision is not made by a transfer scheme for securing that an entitlement to, or to exercise, that interest or right or an equivalent interest or right, is preserved or created so as to arise in respect of the first occasion when corresponding circumstances next occur after the coming into force of the transfers for which the scheme provides,
- the third party shall be entitled to such compensation as may be just in respect of the extinguishment of the interest or right.
- (4) A liability to pay compensation under this paragraph shall fall on the persons not being themselves third parties who, as the case may be--
- (a) have interests in the whole or any part of the property affected by the modification in question,
- (b) are subject to the rights of the person to be compensated which are affected by the modification in question,
- (c) are entitled to enforce the liabilities of the person to be compensated which are affected by that modification, or
- (d) benefit from the extinguishment of the entitlement mentioned in sub-paragraph (3),
- and that liability shall be apportioned between those persons in such manner as may be appropriate having regard to the extent of their respective rights or liabilities or the extent of the benefit they respectively obtain from the extinguishment.
- (5) Where any liability falls by virtue of sub-paragraph (4) on the BBC, that sub-paragraph shall have effect subject to so much of any transfer scheme (including the one which gives rise to the liability) as makes provision for the transfer of that liability to any other person.
- (6) Any dispute as to whether, or as to the person by whom, any compensation is to be paid under this paragraph, and any dispute as to the amount of any compensation to be paid by any person, shall be referred to and determined--
- (a) where the claimant requires the matter to be determined in England and Wales or in Northern Ireland, by an arbitrator appointed by the Lord Chancellor, or

(b) where the claimant requires the matter to be determined in Scotland, by an arbiter appointed by the Lord President of the Court of Session.

(7) This paragraph shall have effect in relation to the provisions of any agreement or instrument entered into or executed in pursuance of an obligation imposed by virtue of paragraph 2(1)(g), and to any modification agreement, as it has effect in relation to the provisions of a transfer scheme.

(8) In this paragraph "third party", in relation to provisions capable of giving rise to compensation under this paragraph, means any person other than--

(a) the BBC or any of their wholly-owned subsidiaries (as defined by [section 1159 of the Companies Act 2006]),

(b) the Secretary of State, or

(c) any person whose consent to those provisions has been given for the purposes of section 132(2) or who has agreed to those provisions by virtue of being a party to a modification agreement.

Notice to persons affected by scheme

9

(1) It shall be the duty of the BBC, where it appears to them in the case of any transfer scheme or modification agreement that there are persons whose property, rights or liabilities are affected in a manner that may give rise to an entitlement to compensation under paragraph 8, to give notice under this paragraph to every such person.

(2) A notice to be given by the BBC under this paragraph shall be given as soon as reasonably practicable after they make the scheme or agreement.

(3) A notice under this paragraph shall set out the general effect of the scheme or, as the case may be, of the agreement and shall describe the respects in which it appears to the BBC that the property, rights or liabilities of the person to whom it is given are affected.

(4) Where it is not reasonably practicable for the notice under this paragraph to any person to be given to that person, the BBC shall, instead, take such steps for publishing the contents of the notice as they may consider appropriate for the purpose of bringing the matters to which the notice relates to the attention of that person.

Consideration for transfer etc

10

(1) A transfer in accordance with a transfer scheme may be made for consideration or for no consideration and, if it is made for consideration, the consideration may, in particular, take the form of the issue of shares or securities.

(2) In sub-paragraph (1), "transfer" has the meaning given by paragraph 1(1) of Schedule 7.

SCHEDULE 6**TRANSFER SCHEMES RELATING TO BBC TRANSMISSION NETWORK: SUCCESSOR COMPANIES****Section 134***Interpretation***1**

(1) In this Schedule--

"the Charter" means the Royal Charter of 1st May 1996 for the continuance of the British Broadcasting Corporation;

"preparatory scheme" means a transfer scheme whose main purpose is to provide for a transfer of property, rights or liabilities from the BBC to a wholly-owned subsidiary of the BBC;

"successor company" means a company to which property, rights or liabilities are transferred in accordance with a preparatory scheme at a time when the company is a wholly-owned subsidiary of the BBC;

"transfer" includes--

- (a) any transfer effected by or under an agreement or instrument entered into or executed in pursuance of an obligation imposed by a provision contained in a preparatory scheme by virtue of paragraph 2(1)(g) of Schedule 5;
- (b) the creation of interests, rights or liabilities by or under any such agreement or instrument; and
- (c) the creation of interests, rights or liabilities by virtue of any provision contained in a preparatory scheme by virtue of paragraph 2 of Schedule 5;

and references to a transfer in accordance with a preparatory scheme shall be construed accordingly;

"wholly-owned subsidiary" has the meaning given by [section 1159 of the Companies Act 2006].

(2) Any reference in this Schedule to vesting in accordance with a preparatory scheme or vesting effected by a preparatory scheme shall be construed as a reference to vesting as a result of a transfer in accordance with a preparatory scheme.

Statutory accounts

2

- (1) The following provisions of this paragraph shall have effect for the purposes of any statutory accounts of a successor company.
- (2) The vesting in the company effected by any preparatory scheme shall be taken--
- (a) to have been effected immediately after the end of the last financial year of the BBC to end before the coming into force of the scheme, and
- (b) to have been a vesting of such property, rights and liabilities as are determined by or under the scheme.
- (3) The value of any asset and the amount of any liability which is taken by virtue of sub-paragraph (2) to have been vested in the company shall be taken to have been--
- (a) in the case where the value or amount is determined by or under the preparatory scheme, that value or amount, and
- (b) in any other case, the value or amount assigned to the asset or liability for the purposes of the Account or Accounts prepared by the BBC for the purposes of Article 18(2) of the Charter in respect of their last financial year to end before the day on which the preparatory scheme comes into force.
- (4) If an Account or Accounts are prepared by the BBC for the purposes of Article 18(2) of the Charter in respect of the residual part of a financial year, that residual part shall be treated as a financial year of the BBC for the purposes of sub-paragraph (3).
- (5) In this paragraph "statutory accounts", in relation to a company, means any accounts of that company prepared for the purposes of any provision of [the Companies Act 2006] (including group accounts).

Distributable reserves

3

- (1) Where statutory accounts of a successor company prepared as at any time would show the company as having net assets in excess of the aggregate of--
- (a) its called-up share capital, and
- (b) the amount, apart from any property, rights and liabilities transferred to it in accordance with any preparatory scheme, of its undistributable reserves,

then, for the purposes of [section 830 of the Companies Act 2006] (profits available for distribution) and of the preparation as at that time of any statutory accounts of the company, that excess shall be treated, except so far as the Secretary of State may otherwise direct, as representing an excess of the company's accumulated realised profits over its accumulated realised losses.

- (2) For the purposes of [section 831 of the Companies Act 2006] (restriction on distribution of assets) so much of any excess of a company's net assets as falls, in accordance with a direction under this paragraph, to be treated otherwise than as representing an excess of the company's accumulated realised profits over its accumulated realised losses shall be treated (subject to any modification of that direction by a subsequent direction under this paragraph) as comprised in the company's undistributable reserves.
- (3) A direction under this paragraph may provide, in relation to any amount to which it applies, that, on the realisation (whether before or after the company in question ceases to be a wholly-owned subsidiary of the BBC) of such profits and losses as may be specified or described in the direction, so much of that amount as may be determined in accordance with the direction is to cease to be treated as mentioned in sub-paragraph (2) and is to fall to be treated as comprised in the company's accumulated realised profits.
- (4) The Secretary of State shall not give a direction under this paragraph in relation to a successor

company at any time after the company has ceased to be a wholly-owned subsidiary of the BBC.

(5) The consent of the Treasury shall be required for the giving of a direction under this paragraph.

(6) In this paragraph--

"called-up share capital" has the same meaning as in the [Companies Act 2006];

"net assets" has the meaning given by subsection (2) of [section 831 of the Companies Act 2006];

"undistributable reserves" has the meaning given by [subsection (4) of that section];

and references in this paragraph, in relation to a company, to statutory accounts are references to accounts of that company prepared in respect of any period in accordance with the requirements of that Act, or with those requirements applied with such modifications as are necessary where that period is not an accounting reference period.

Dividends

4

(1) Where a distribution is proposed to be declared during any accounting reference period of a successor company which includes a transfer date or before any accounts are laid or filed in respect of such a period, [sections 836 to 840 of the Companies Act 2006] (accounts relevant for determining whether a distribution may be made by a company) shall have effect as if--

(a) references in [section 836] to the company's accounts or to accounts relevant under that section, and

(b) references in [section 839] to initial accounts,

included references to such accounts as, on the assumptions stated in sub-paragraph (2), would have been prepared under [section 394] of that Act in respect of the relevant year (in this paragraph referred to as "the relevant accounts").

(2) Those assumptions are--

(a) that the relevant year had been a financial year of the successor company,

(b) that the vesting in accordance with the preparatory scheme had been a vesting of all the property, rights and liabilities transferred to the company in accordance with that scheme and had been effected immediately after the beginning of that year,

(c) that the value of any asset and the amount of any liability of the BBC vested in the successor company in accordance with the preparatory scheme had been the value or (as the case may be) amount determined by or under the scheme or (if there is no such determination) the value or amount assigned to the asset or liability for the purposes of the Account or Accounts prepared by the BBC for the purposes of Article 18(2) of the Charter in respect of their financial year immediately preceding the relevant year,

(d) that any securities of the successor company issued or allotted before the declaration of the distribution had been issued or allotted before the end of the relevant year, and

(e) such other assumptions (if any) as may appear to the directors of the successor company to be necessary or expedient for the purposes of this paragraph.

(3) If an Account or Accounts are prepared by the BBC for the purposes of Article 18(2) of the Charter in respect of the residual part of a financial year, that residual part shall be treated as a financial year of the BBC for the purposes of sub-paragraph (2)(c).

(4) The relevant accounts shall not be regarded as statutory accounts for the purposes of paragraph 2.

(5) In this paragraph--

"accounting reference period" has the meaning given by [section 391 of the Companies Act 2006];

"complete financial year" means a financial year ending with 31st March;

"the relevant year", in relation to any transfer date, means the last complete financial year ending before that date;

"a transfer date", in relation to a successor company, means the date of the coming into force of any preparatory scheme in accordance with which property, rights or liabilities are transferred to that company.

Application of the Trustee Investments Act 1961

5

(1) For the purpose of applying paragraph 3(b) of Part IV of Schedule 1 to the Trustee Investments Act 1961 (which provides that shares and debentures of a company shall not count as wider-range and narrower-range investments respectively within the meaning of that Act unless the company has paid dividends in each of the five years immediately preceding that in which the investment is made) in relation to investment in shares or debentures of a successor company during the calendar year in which the transfer date falls ("the first investment year") or during any year following that year, the successor company shall be deemed to have paid a dividend as there mentioned--

- (a) in every year preceding the first investment year which is included in the relevant five years, and
- (b) in the first investment year, if that year is included in the relevant five years and the successor company does not in fact pay such a dividend in that year.

(2) In sub-paragraph (1)--

"the relevant five years" means the five years immediately preceding the year in which the investment in question is made or proposed to be made;

"the transfer date", in relation to a successor company, means the first date on which any preparatory scheme in accordance with which property, rights or liabilities are transferred to that company comes into force.

...

3

...

Chargeable gains: section 41 of the Gains Act

4

Subsection (1) of section 174 of the Gains Act (which applies section 41 of that Act to cases where assets have been acquired without gain or loss) shall have effect, without prejudice to paragraph 2, where there has been a preparatory transfer as if the asset to which the preparatory transfer relates had thereby been transferred and acquired in relevant circumstances, within the meaning of that subsection.

Chargeable gains: assets held before 6th April 1965

5

Schedule 2 to the Gains Act (assets held on 6th April 1965) shall have effect in relation to any assets which are transferred to a successor company in accordance with a preparatory scheme as if--

- (a) the BBC and the successor company were the same person; and
- (b) those assets, to the extent that they were in fact acquired or provided by the BBC, were acquired or, as the case may be, provided by the successor company.

Chargeable gains: sale of successor company : group transactions

6

(1) For the purposes of section 179 of the Gains Act (company ceasing to be a member of a group), where any company ("the degrouped company") ceases, by virtue of a qualifying transaction, to be a member of a group of companies, the degrouped company shall not, by virtue of that qualifying transaction, be treated under that section as having sold, and immediately reacquired, any asset acquired from a company which falls to be regarded for the purposes of subsection (1) of that section as having been at the time of acquisition a member of that group.

(2) Where, disregarding any preparatory transactions, a company would be regarded for the purposes of section 179 of the Gains Act (and, accordingly, of this paragraph) as ceasing to be a member of a group of companies by virtue of a qualifying transaction, it shall be regarded for those purposes as so doing by virtue of the qualifying transaction and not by virtue of any preparatory transactions.

(3) In this paragraph--

"preparatory transaction", in the case of any qualifying transaction, means anything done for the purpose of initiating, advancing or facilitating the qualifying transaction;

"qualifying transaction" means the disposal by the BBC of any shares or securities of a successor company.

(4) Expressions used in this paragraph and in section 179 of the Gains Act have the same meaning in this paragraph as they have in that section.

Chargeable gains: sale or exchange of shares or securities of successor company

7

(1) Where a company issues shares or debentures to the BBC in exchange for shares in or debentures of a successor company which have not, before that exchange, been disposed of by the BBC--

- (a) sections 127 to 131 of the Gains Act (reorganisation or reduction of share capital) shall not apply by virtue of subsection (3) of section 135 of that Act (exchange of securities) in relation to that exchange, and
- (b) section 116 of that Act (reorganisations, conversions and reconstructions) accordingly does not have effect in relation to that transaction,

and the following provisions of this paragraph shall apply accordingly.

- (2) The following provisions of this paragraph apply in any case where--
 - (a) there is a preparatory transfer to a successor company;
 - (b) the BBC disposes of any shares or securities of the successor company for a consideration in money or money's worth; and
 - (c) those shares or securities are shares or securities which were--
 - (i) held by or on behalf of the BBC immediately before the preparatory transfer takes effect, or
 - (ii) issued to or for the BBC at a time when the successor company is a wholly-owned subsidiary of the BBC,

and which have not previously been disposed of by the BBC.

- (3) For the purposes of corporation tax on chargeable gains, neither a chargeable gain nor an allowable loss shall be regarded as arising to the BBC on the disposal mentioned in sub-paragraph (2)(b).
- (4) If the consideration for the disposal mentioned in sub-paragraph (2)(b) consists of or includes a right to any variable deferred consideration, then, for the purposes of corporation tax on chargeable gains, neither a chargeable gain nor an allowable loss shall be regarded as arising to the BBC on the disposal of the right to the variable deferred consideration.
- (5) In this paragraph "variable deferred consideration" means any consideration--
 - (a) which is not to be given until after the disposal mentioned in sub-paragraph (2)(b); and
 - (b) whose amount or value, as at the time when it is to be given, is not ascertainable at the time of that disposal.

No chargeable gain or allowable loss to arise on any disposal constituted by a direct disposal transfer

8

- (1) For the purposes of corporation tax on chargeable gains, neither a chargeable gain nor an allowable loss shall be regarded as arising to the BBC on any disposal constituted by a direct disposal transfer.
- (2) If the consideration for a direct disposal transfer consists of or includes a right to any variable deferred consideration, then, for the purposes of corporation tax on chargeable gains, neither a chargeable gain nor an allowable loss shall be regarded as arising to the BBC on the disposal of the right to the variable deferred consideration.
- (3) In this paragraph "variable deferred consideration", in the case of any direct disposal transfer, means any consideration--
 - (a) which is not to be given until after the direct disposal transfer; and
 - (b) whose amount or value, as at the time when it is to be given, is not ascertainable at the time of the disposal constituted by that transfer.

Chargeable gains: value shifting

9

(1) Nothing in Part VI of this Act, and no instrument or agreement made, or other thing done, under or by virtue of that Part or for the purpose of initiating, advancing or facilitating the disposal by the BBC of--

- (a) the whole or any part of the BBC transmission network, or
- (b) any shares or securities of a successor company which are shares or securities which were--
 - (i) held by or on behalf of the BBC immediately before a preparatory transfer to the successor company takes effect, or
 - (ii) issued to or for the BBC at a time when the successor company is a wholly-owned subsidiary of the BBC,

and which have not previously been disposed of by the BBC,

shall be regarded as a scheme or arrangement for the purposes of section 30 of the Gains Act (value-shifting).

(2) In any case where--

- (a) an asset which is the subject of a preparatory transfer has previously been the subject of a scheme or arrangements falling within subsection (1) of section 30 of the Gains Act,
- (b) in consequence, subsection (5) of that section (consideration on disposal to be treated as increased for certain purposes) would, apart from sub-paragraph (3), have had effect in relation to the consideration for the preparatory transfer, and
- (c) the consideration for the preparatory transfer falls to be determined, for the purposes of corporation tax on chargeable gains, under paragraph 2,

sub-paragraph (3) shall apply.

(3) Where this sub-paragraph applies--

- (a) subsection (5) of section 30 of the Gains Act shall not have effect in relation to the consideration for the preparatory transfer; but
- (b) on the first subsequent disposal of the asset which is neither a preparatory transfer nor a group disposal--
 - (i) that subsection shall have effect in relation to the consideration for that disposal (whether or not it would otherwise have done so); and
 - (ii) the increase that falls to be made under that subsection shall be so calculated as to include any increase which would, but for paragraph (a) above, have fallen to be made in relation to the preparatory transfer.

(4) In this paragraph "group disposal" means a disposal which falls to be treated by virtue of section 171 (1) of the Gains Act as made for a consideration such that no gain or loss accrues to the person making the disposal.

Chargeable gains: receipt of compensation or insurance money

10

(1) Subsection (4) of section 23 of the Gains Act (adjustments where compensation or insurance money used for purchase of replacement asset) shall have effect in accordance with sub-paragraph (3) in any case where--

(a) there is a relevant transfer such that--

(i) a capital sum received by the BBC by way of compensation for the loss or destruction of an asset, or under a policy of insurance of the risk of the loss or destruction of an asset, becomes available to the transferee; or

(ii) a right of the BBC to receive such a sum is transferred to the transferee, and the transferee receives that sum; and

(b) the transferee acquires an asset in circumstances where--

(i) had there been no such relevant transfer, and

(ii) had the BBC acquired the asset by the application of that sum,

the BBC would be treated for the purposes of that subsection as having so acquired the asset in replacement for the asset lost or destroyed.

(2) Subsection (5) of that section (adjustments where a part of any compensation or insurance money is used for the purchase of a replacement asset) shall have effect in accordance with sub-paragraph (3) in any case where--

(a) there is a relevant transfer such that--

(i) a capital sum received by the BBC by way of compensation for the loss or destruction of an asset, or under a policy of insurance of the risk of the loss or destruction of an asset, becomes available to the transferee; or

(ii) a right of the BBC to receive such a sum is transferred to the transferee, and the transferee receives that sum; and

(b) the transferee acquires an asset in circumstances where--

(i) had there been no such relevant transfer, and

(ii) had the BBC acquired the asset by the application of all of that sum except for a part which was less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the asset lost or destroyed,

the BBC would be treated for the purposes of that subsection as having so acquired the asset in replacement for the asset lost or destroyed.

(3) In a case falling within sub-paragraph (1) or (2) of this paragraph, subsection (4) or, as the case may be, subsection (5) of section 23 of the Gains Act shall have effect as if the transferee and the BBC were the same person, except that--

(a) in a case falling within sub-paragraph (1)(a)(i) or (2)(a)(i)--

(i) any claim under the subsection in question must be made by the BBC and the transferee; and

(ii) any adjustment to be made in consequence of paragraph (a) of that subsection shall be made for the purposes only of the taxation of the BBC; and

(b) in a case falling within sub-paragraph (1)(a)(ii) or (2)(a)(i)--

(i) any claim under the subsection in question must be made by the transferee; and

(ii) any adjustment to be made in consequence of paragraph (a) of that subsection shall be made

(3) Where this paragraph applies, the trade mentioned in sub-paragraph (1) shall not be treated as permanently discontinued nor a new trade as set up and commenced for the purpose of the allowances and charges provided for by [the Capital Allowances Act]; but--

- (a) there shall be made to or on the transferee in accordance with [that Act] all such allowances and charges as would, if the BBC had continued to carry on the trade, have fallen to be made to or on it; and
- (b) the amount of any such allowance or charge shall be computed as if--
 - (i) the transferee had been carrying on the trade since the BBC began to do so; and
 - (ii) everything done to or by the BBC had been done to or by the transferee (but so that no sale or transfer which on the transfer of the trade is made to the transferee by the BBC of any assets in use for the purpose of the trade shall be treated as giving rise to any such allowance or charge).

(4) For the purposes of this paragraph--

- (a) where, on the BBC ceasing to carry on a trade, a company begins to carry on the activities of the trade as part of its trade, then that part of the trade carried on by the company shall be treated as a separate trade, if the effect of so treating it is that this paragraph applies by virtue of sub-paragraph (1) on that event in relation to that separate trade; and
- (b) where, on the BBC ceasing to carry on part of a trade, a company begins to carry on the activities of that part as its trade or part of its trade, the BBC shall be treated as having carried on that part of its
