

PRESS COMPLAINTS COMMISSION

From the Chairman

21st July 2009

Dear Jonathan,

I write in response to your letter dated 29th June just to put the record straight.

It is not true that I did not respond to the invitation to the University of Westminster event invitation. Neither is it the case that I have been spending my time only seeing members of the press. I have been on a learning curve, and keen to meet and talk to many people from all perspectives who have experience of and work with the PCC. One thing has been clear to me for a long while - and that is that it doesn't always pay to be presumptuous.
