To Sir Christopher Meyer
Press Complaints Commission

Dear Sir Christopher

The Irish Traveller Movement (ITM) wishes to draw your attention to the attached letter, which we have also sent to the Commission for Racial Equality and Commission for Equalities and Human Rights.

The ITM has deep concern at the poor and prejudiced media reporting that continues to be made on Irish Travellers and Gypsies, we therefore requests that the Press Complaints Commission reviews their complaints mechanisms so as to consider complaints about coverage on the basis of discrimination or prejudice against, or stereotyping of, groups as well as individuals.

Yours Sincerely,

Yvonne Macnamara
ITM Director

Andrew Ryder
ITM National Policy Officer
