POSSIBLE VISIT BY HIGH COURT JUDGES

Over the last couple of years, there have been a number of small events aimed at fostering a greater understanding between the judiciary, the press and the PCC. They have been arranged by Lord Justice Judge, the Deputy Lord Chief Justice, and Philip Graf, who is of course chairman of Pressbof.

At the last meeting, it became clear that the judges thought it would be useful if they could make small-scale visits to newsrooms in order better to appreciate the pressures involved in producing a newspaper. I am just writing, therefore, to see whether someone at the Guardian might be free to show round one or two high court judges one evening for an hour or so, perhaps either with me or with Philip accompanying them.

It would be excellent if you could help. Please do let me know if you would be interested in principle, or if you would like any more details.

With kind regards.

With kind regards.
