Dear Mick,

It was really good to see you on Wednesday. Tony and I thought it was an extremely useful and informative meeting and we are both most grateful to you for taking so much time to see us.

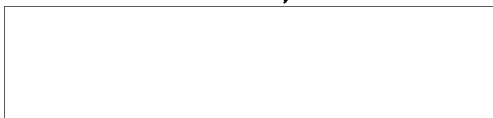

I know we will keep in touch on a whole range of issues, and you and Jonathan should not hesitate to let us know if there is anything we can do to help.

In the meantime, (I fear there is no escape from us) I promised to let you have a copy of the Slaughters note we have sent to Vince, which is attached. I know you can't comment on it, but should you need any more information, please just let me or Tony know. It's a really important issue for us all.

We look forward to seeing you again soon and thank you again for your time, your courtesy and your great kindness.

Very best wishes.

As ever,

Murdoch MacLennan
