Subject: DCMS schedule

Sly,

I've spoken to the DCMS press office and there is no firm date on when Jeremy Hunt's decision will be released, hence the conflicting reports in the press.

There are broad guidelines that they should make a decision within 10 working days of receiving the recommendation but, with the impact of the Christmas break, they are unlikely to adhere to this. However, the person I spoke to said they were definitely expecting a decision by the end of the month.
