History: This message has been forwarded.
The steer from DCMS is no new material needed.

DCMS are handling this in tandem with the team at BIS, plus counsel. It feels like they haven't finalised a decision yet.

BIS people aren't physically moving over to DCMS. DCMS may add to its team under Stuart Brand.

The BIS team are Jonathan Cook, Andrew Rees and Paul Bannister.

JM

Subject: follow up

Any news from Hunt advisers re sending in letters/additional material etc?

regards
