In the latest version of the guardian story news corp appears to confirm it has ofcom's report. Happy for WS to put that question to DCMS

I see the Guardian report on today???'s news mentions News Corp has the Ofcom report.

Can WS check whether this is true?

If so, can we all authorise WS on behalf of the alliance to ask DCMS in very direct (but not public) ??'terms for this report to now be sent to alliance members?
