I would have to move the HR Com meeting but I think that would be worth doing as I think that TM ought to be seen to be there and be seen to be interested.

**Media and technology speech**

Following my email last week, I am very pleased to be able to invite you to a re-arranged reception.

As you know, I am keen to share with you what I believe my priorities as Secretary of State should be and to answer any questions or concerns you might have. I will be making my first key note speech on media and technology at 11.45am next Tuesday 8 June at The Hospital Club, 24 Endell Street.

I would be delighted if you could join me at this event. Please RSVP to [rsvp@culture.gsi.gov.uk](mailto:rsvp@culture.gsi.gov.uk) if you will be able to attend.

Jeremy Hunt  
Secretary of State for Culture, the Olympics, Media and Sport
