CONFIDENTIAL

Victoria

Enclose our mark ups against the drafts of the Carriage Agreement and the Brand Licence Agreement sent us on, respectively, 20 May and 23 May.

We have prepared two tables that explain the changes made. I hope that this will assist Pinsent Masons' review and the Secretary of State's consideration of some of the commercial issues raised in the mark-ups.

Clean versions of each agreement are also attached.

I will be in touch to make sure that everything is clear and discuss timing and next steps also in light of an update with on the OFT/Ofcom process.

Best wishes

A.
