CONFIDENTIAL

Dear Sheldon

Further to our calls and the emails below, we have received on Wednesday from DCMS the latest mark up of the Carriage Agreement and the Brand Licence Agreement. We have responded to DCMS yesterday with our final comments (which also include the wording on certain financial provisions that has been discussed separately between John Webster and Karl Holmes and which was also provided to John as a stand-alone rider).

On that basis I am now in a position to revert with a revised set of UlLs which confirms the position on the points that needed to be closed off and includes the wording sent to John on a stand-alone basis.

The minor clarifications in sections 4.5(iii) and 4.7(iii) have been suggested by DCMS following the Pinsent Masons review.

The new draft UIL is provided in a clean version as well as with two Deltaviews tracking changes against, respectively, the last full version submitted of 17 May and the consulation version of 1 March.

As previously discussed with Nick I am also copying Victoria Kaye of DCMS.

Best wishes

A.

With regard to section 2.1 this is the wording that News would propose to add which I hope will prove uncontroversial.

further to our call earlier today I can confirm that News would also be available for a call to discuss the outstanding points on the UILs tomorrow at 6.30pm and would like to proceed on that basis.

DIRECT .

2.1 News shall effect the spin-off of the Sky News business into an independent English public limited company, Newco, the shares of which will be publicly traded, using its best endeavours and acting in good faith, at the Closing Date or as soon as reasonably practicable following the Closing Date and in any event within 9 months of the Glosing Date, subject to any extension of time agreed with the consent of the Secretary of State. In effecting the spin-off of the Sky News business, News shall not knowingly take any action that would prevent Newco being placed in an overall position of editorial, governance, commercial and financial independence in which it will continue to contribute to plurality as it did prior to the Transaction in the manner contemplated by these undertakings. Shares in Newco shall be distributed or otherwise issued or transferred to the shareholders of Sky in the same proportions as their shareholdings in Sky.

The first addition is designed to avoid catching inadvertent action. The second and third are designed to ensure that the provision is placed in the right context by anyone looking at it without the benefit of the detailed discussions that we have had OFT and OFCOM and that the additional language you proposed is not interpreted as suggesting obligations other that the ones set out in the UILs themselves. I note from your email below that this appears to be common ground so I hope that we can reach agreement on this.

With regard to section 5.1 News still questions the need to add further language in this part of the undertakings which relate to agreements that are to be "arm's length", "fair and reasonable", and are subject to a Secretary of State right of approval (other than for agreements relating to services widely available form a number of third parties). Referring to concepts which are extraneous to these individual agreements would create confusion and is unnecessary.

Unless you confirm that, based on this email, the OFT and OFCOM consider that no further call would be useful or necessary we will circulate dial in by noon tomorrow.

Best wishes

A.
